The Class of '38 with many other distinctions is the first class to finish the high school work since the school was admitted to the North Central Association. This makes their diploma of much greater value to them. The high rating and prestige our school now commands is through the combined efforts and coöperation of the students, our faculty, school trustees, and patrons. It is the sincere desire and hope of the school administration that the undergraduate classes will take their inspiration from the Class of '38 and continue to uphold the fine standards and traditions of our school.

RACHELLE AND DORIS

Everybody yell

OUR SCHOOL SONG

We'll be true to the school that we
 love so well
 May her praise ever we will sing
 In our hearts may our thoughts ever
 fondly dwell
 Thee our hopes and our wishes we
 bring.
 There are schools, other schools,
 That are far and near
 But the best is the C.H.S.
 To your colors we'll be loyal
 To your name we'll bear
 Our everlasting faithfulness.
 Rah, rah, rah, rah, rah,
 Rah, rah, rah, rah, rah,
 Rah, rah, rah, rah, rah,
 Cannelton High School! Rah!

MUSIC DEPARTMENT

The music department of our school, consisting of band, orchestra, instrumental classes and vocal classes, is our most publicized department. The reason for this being that the band comes into more intimate contact with the citizens by playing for all sorts of public gatherings. It has also been chosen district champion class C band for four consecutive years and has always won honors in some departments in the state contests. The popularity of this department has resulted in over half the entire student body participating in some phase of the musical work and necessitated the purchasing of an adjoining building to care for their needs. Much of the popularity of this department is due to its jovial director, Don Marketto, who devotes all his school and spare time for its improvement.

"OUR SCHOOL NEWSPAPER"

The *Hi-Life* is one of the most popular class activities in our school. Its bi-weekly publication is eagerly awaited by the students, teachers, and many outsiders. It not only carries valuable messages to the student body, but it also gives the students a chance for self-expression. It is a member of the National Scholastic Press Association and has a large exchange list with other schools in the United States and one in Alaska and one in Mexico. This department is efficiently headed by Mildred Fore.
