Graduation

May 19, 1975

Larry Taylor and Ramona Miles grip their diplomas.

After four years of work and fun, high school days for the class of 1975 ended on May 19, 1975.

For the second consecutive year ceremonies were held at Legion Field.

The mercury soared into the 80's as graduates, clothed in traditional white and red robes, sweltered in the hot sun.

Customary guest speakers were replaced by seniors Anne Ress and Tim Malone who addressed the crowd of nearly 1,000.

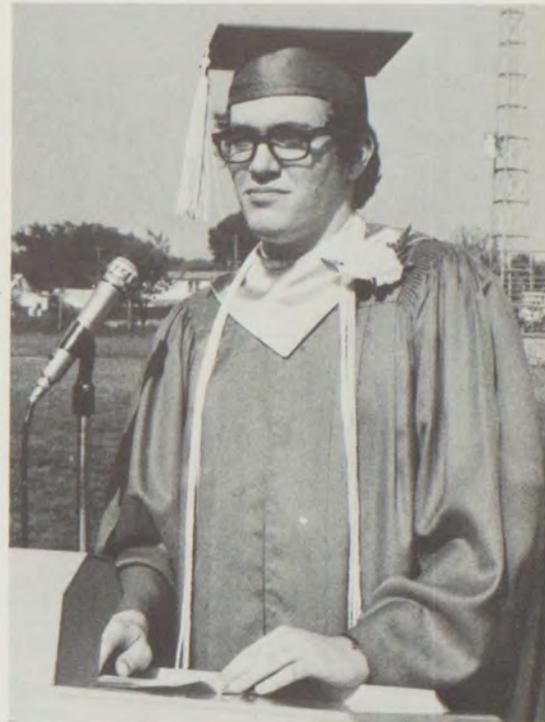

Class president Neil Schaefer, valedictorian Dennis Dyer and salutatorian David Raaf also gave traditional speeches.

ACTIVITIES

Student Council

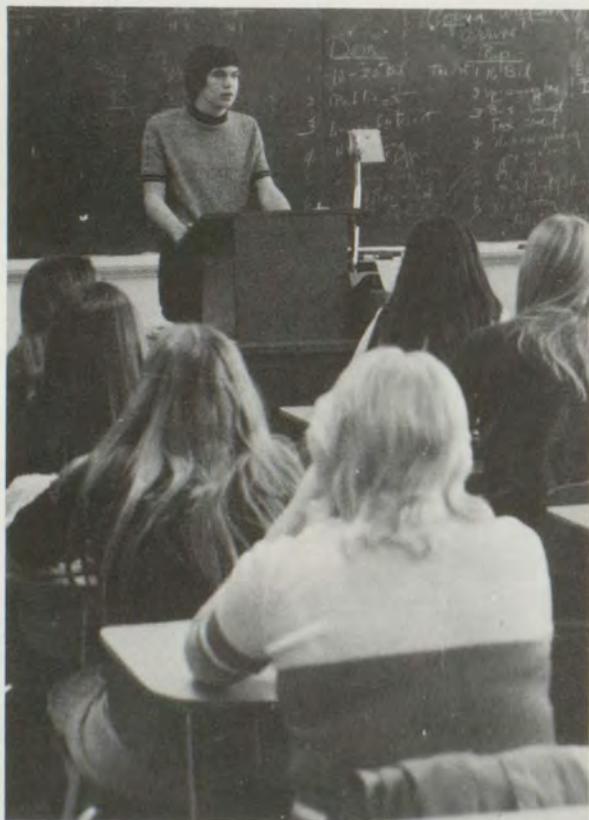

The 1974-75 Student Council was busy with many activities during the school year. As in past years, they provided the student body with several interesting and entertaining convocations. They sponsored Free Fare, a group which has performed in Tell City on previous years, The Challengers, a musical group from Dayton, Ohio, and Wildfire, a local rock group composed of TCHS students.

In addition to these activities the Student Council again sponsored the free form classes during the early part of March. There were many fascinating classes, and the program was very popular with both students and faculty.

One welcome addition to TCHS was a juke box placed in the auditorium by the Student Council for use by the students and faculty. It is used during the noon hour only.

Band makes first appearance at state marching contest; travels to Mardi Gras

The Tell City Marching Marksmen displayed their winning style by presenting a college level show at the state contest in Salem. The band easily placed first in Group I, and they were awarded the inspection trophy. In reward for their fine showing at Salem, the Marksmen made their first appearance at the Indiana State Contest in Indianapolis, being one of the top 13 bands in the state.

The band once again hosted an Invitational Marching Festival with 15 bands competing.

The Marksmen finished out the football season by marching at halftimes, and then traveled to the world-famous Mardi Gras in New Orleans. Tell City marched in two parades, one 5 and the other 8 miles long. The band received the Harry Mendelsson plaque for participating in Mardi Gras activities, and Gov. Bowen sent a letter to the band thanking them for representing Indiana in the Mardi Gras.

District and state solo and ensemble members won 140 medals, with several soloists and groups receiving perfect scores.

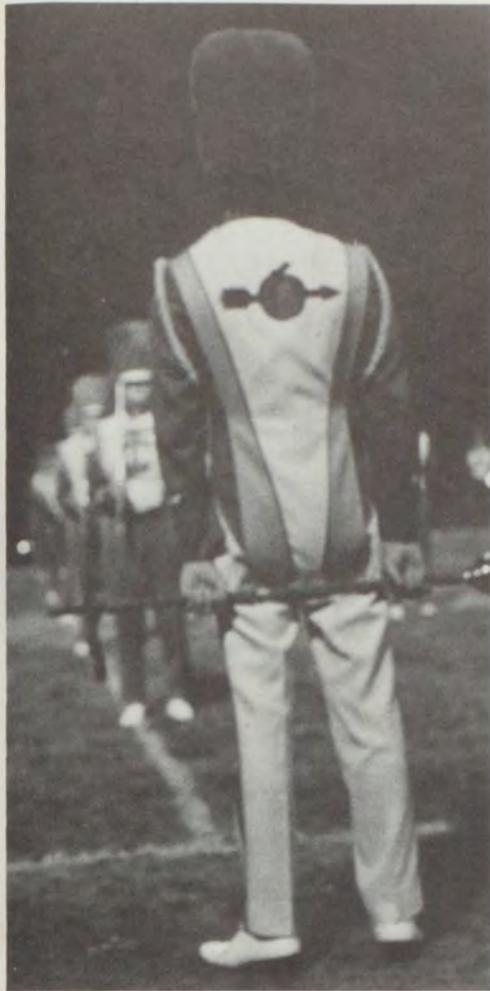

Concert season brought more honors to the band, with the Marksmen receiving a first from all 3 judges at the state playing contest in Mt. Vernon. Two of the scores were perfect, while the other was one point from perfect; these were some of the finest scores in the state. The Marksmen concluded the year by performing a spring concert and playing at commencement.

The Marching Marksmen were selected as one of the four bands in the state to perform at the Indiana Band Masters Association convention in the fall, 1975.

This year's free form classes were as varied and as interesting as last year's were new. Classes were taught in everything from crocheting to karate; cards to field hockey. Chess, mythology, theology, drama, macrame, World II history, decoupage, and communications were just a few of the available courses.

One of the highlights of this year's free form, was a visit from Ms. Marcia Yockey, weather specialist from WFIE TV in Evansville, who taught the skiing class.

The free form was originally scheduled for March 10, but because of a heavy snow, was held March 11.

Marksmen Post 7-3 Season

The Tell City Marksmen finished their season with a 7-3 victorious record. The team won many hard-fought battles to disprove any skeptical onlookers that were present. Although the Marksmen were not expected to do as well as they had in the past due to a loss of experienced seniors, the team daringly pulled their own weight and came through with flying "Red and White" colors.

Although the Marksmen were defeated by Reitz, Boonville, and Bosse, their strong offense was able to score in every game. The defense also showed true with a "No score Vincennes."

The Marksmen had 4 players to make all-conference. They were Steve Smith (QB), John Sprinkle (C), Tim Malone (DE), and Dave Wint (TE).

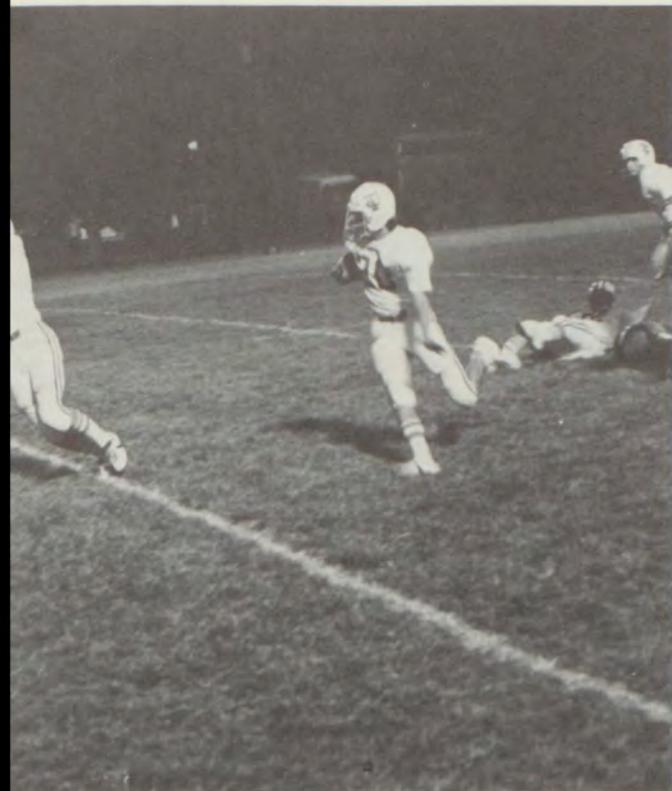

Steve Smith, honorary captain, proved himself as he was selected All State and also picked for the South All-Star team.

In the SIAC, the Marksmen placed third against 17 teams. In the Sectional, they won first against the most teams entered in one meet, 25. The winning of the Lincoln Trail meet was a first for TCHS, as well as qualifying for the State.

Dedication

Kim Hermann

The Sagittarius staff is hereby dedicating the 1975 Sagittarius to the memory of Kim L. Hermann, who died on May 27, 1975, nine days after he graduated with his class from Tell City High School. Kim had been ill for over a year.
