

"Connecting

The Pieces" is a great theme for our school. Each and every one of the

classes, from pre-school through twelfth grade, is a vital piece of the puzzle that is

Cannelton. First are the "Little Kids" of today's elementary classes that we all

were at one time. Then come the "Middle

School Kids"

that are always in the office.

After that...

...how to enjoy the

limited years of our youth.

Another piece of this puzzle is

the piece titled "The Seniors." This is the

piece that, when you've placed it, you know your puzzle is almost

finished. The last piece of our

puzzle is the staff. Where would we...

...to show for

Cannelton? Nothing. We are nothing if we aren't together, but

we **have** the full puzzle, the whole package.

Knowing that we have all of our pieces, we know that no one can

put us down; our puzzle is

complete. All

we had to do was start...

...are

"The Freshmen" that are trying to find their way. Next in line are

the other high school kids that still frequently get

sent to the office, and have so much fun seeing how far they can

push the teachers. Most of us

know when to

behave. We

also know...

...be

without our

staff members? If it weren't for them we would have nothing in terms of order and education. This is the

piece that gives you that sense of satisfaction after you have slaved over and completed the puzzle. What if we were missing a piece of our puzzle?

what would we have...

...connecting

the

pieces.

The teachers and staff make up one of the most important pieces of our puzzle here at Cannelton. They help us move up in the world, and teach us to use our talents to the best of our abilities. Without them Cannelton would be incomplete. It would be like a puzzle with the last few pieces missing.

Dedication: Mr. Ed Lawalin

The Senior Class of 2009 has proudly chosen Mr. Ed Lawalin to be honored for the 2009 Notlennac dedication.

Although Mr. Lawalin was chosen by the seniors, we know that the entire student body, faculty, and staff will agree with us.

As a class, we spent our 5th and 6th grade years with Mr. Lawalin. So, it seems fitting that he is leaving the school along with us.

Mr. Lawalin has dedicated his life to Cannelton City Schools and students. He has guided us all with his intelligence, thoughtfulness, and humor. We are sorry that more generations of Cannelton students will not benefit from his teaching, but we wish him the very best in his retirement.

Brooke Powers

Senior #13
Brooke started as a forward. She led a team-high rebounding average of 7.0, and added 100 points throughout the season.

Jaci Garrett

Junior #22
Jaci was a starting forward. She led the team in steals with 2.8 per game. She also added 6.0 rebounds and 3.9 points per game.

Nakaa Myers

Junior #20
A starting shooting guard, she averaged 7.0 points per game. Her 3-point field goal percentage of 34.5% made was the team's best.

Whitney Nugent

Junior #42
Whitney came off of the bench to play as a guard, and her quickness was a great defensive help.

Sammie James

Freshman #33
As one of our reserves, Sammie's position was a forward. She averaged 4.1 points and 5.4 rebounds per game.

Sarah Powers

Freshman #10
A starting guard, Sarah was our only player to make the all-county team. She led our team in points with an average of 12.5 per game.

Payton Reed

Freshman #15
A true point guard, Payton led the team in assists with 3.7 per game. She also averaged 7.0 points and 2.3 steals per game.

Brooke Powers, shown here with her parents, was the only senior this season. She was an important part of our team, and we are all going to miss her a lot.

Science Fair

Ashley Claise and Nakaa Myer's experiment on pop rocks and coke.

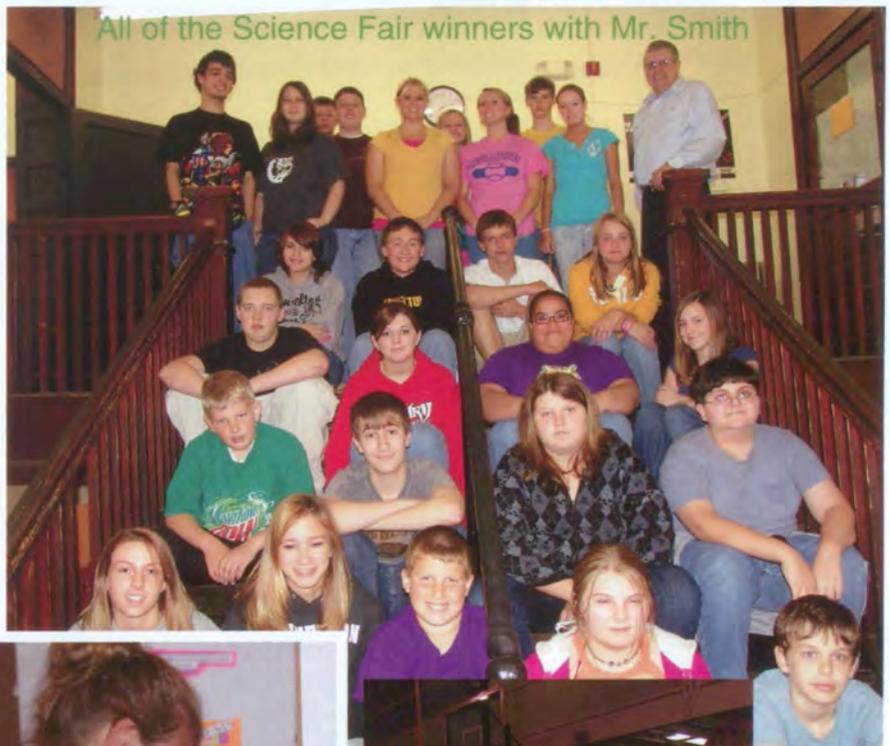

The Science Fair is the time of the year when everyone can be competitive and creative. It doesn't matter what your experiment is, you still learn something in the end. It's hard work coming up with an idea and testing it, but when you finally get it finished you feel good about yourself.

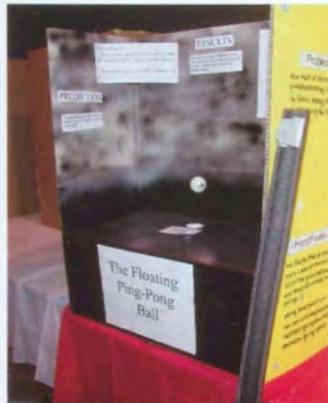

Spencer and Charlie with their winning Science Fair Experiment.

All of the Science Fair winners with Mr. Smith

Jordan Mattingly and Ethan Patton's floating ping pong ball.

Amber Dartt giving her presentation.

Andi Baur and Elisa Miller giving their presentation on hair dye.

Allison Masterson and Laura Jackson's poster board titled Pink.

International Day

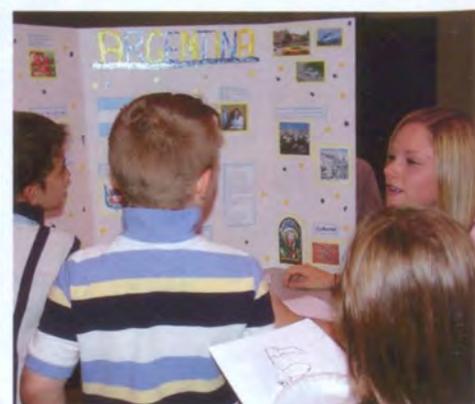

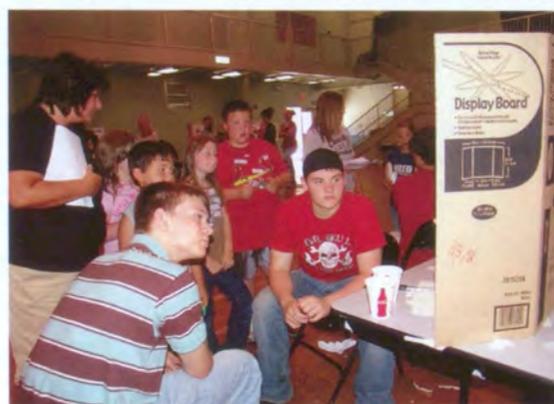

Mrs. Young brings her class to experience the excitement of the different countries at International Day.

Our Spanish and Art teacher, Mrs. Noland, put a lot of time and effort into making International Day possible. She worked extremely hard with her Spanish 1 class to put together a day where the elementary could come over and get an international learning experience. Also students from other classes volunteered their time to lend Mrs. Noland and her Spanish 1 class a hand.

Sophomore Jessalyn Sommer explains about life in Ecuador.

Tree Dedication to Officer Kenny Kellems

Dillon Powers and Brook Powers get the tree ready to be put in its resting place.

The senior class plants a tree in love and remembrance of Police Chief Kenny Kellems. Chief Kellems is the grandfather of Dillon Powers.

Mrs. Doris Kellems looks on as the senior class dedicates a tree in memory and honor of Police Chief Kenny Kellems.

two thousand nine / [2009] [noun] (yr.)

1. an unforgettable year filled with great memories.
2. an extraordinary learning experience.
3. where knowledge was gained and goals were achieved.
4. a period of time spent with close friends and teachers.
5. a phase in life involving countless moments of laughter.
6. a school year containing many accomplishments.

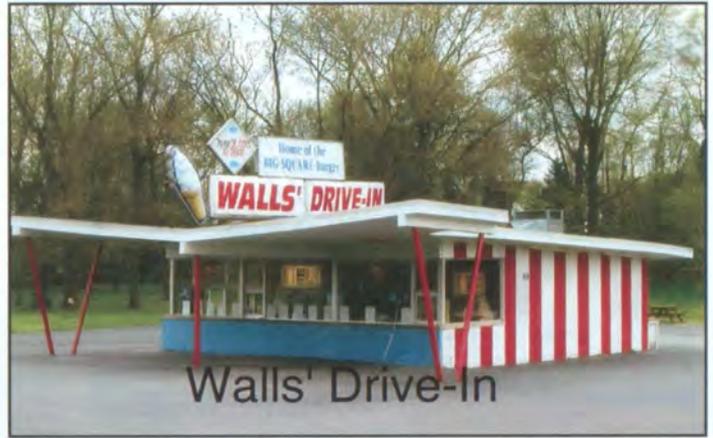

The 2009 school year has been fantastic for all of us. There have been so many doors opened up to quite a few of the students. We would like to say good luck to our seniors and we hope to see you again. We appreciate what all you have done for this school. To the whole student body, we would like to thank you for all of your school spirit showing that we care about our athletes and our school. This is a year that we will never forget. Thank you students and staff.
