Class History

It was four years ago that we were standing in the halls, trying to register for our first classes in Tell City High School. 150 freshman students, every one of them confused, were present on that memorable day in September 1951.

Mr. Lee, our principal, called us together for our first class meeting. The officers elected were, Pat Miller, President; Lewis Schwering, Vice-President; Brad Jarboe, Secretary-Treasurer; Nancy Jenkins and Verna Kuntz were freshman representatives in the Student Council. For our sponsors we chose Mr. Sprinkle and Miss Deane.

In October the upperclassmen held a get-acquainted sock-hop which we enjoyed very much.

We were proud of our basketball team, during its winning season. Betty Peter, Bobbie Jean Young, Nancy Jenkins, and Roberta Mulzer led the cheers.

To add a little fun to a rather difficult year, a class picnic was held at Lincoln City Park.

To begin our second year at T. C. H. S. we held a class meeting to elect officers, sponsors, and student council representatives. The officers were, Jim Thomas, President; George Lorenz, Vice-President; Brad Jarboe, Secretary-Treasurer; the Student Council representatives were Jim Thomas, Dot Allwardt, and Jeanette Harpenau. Our sponsors were Miss Boyle and Mr. McRae.

The highlight of this year was the ordering of our school jackets, which we received in February. They were the traditional red and white with the year engraved in the apple and arrow on the sleeve.

As a means of raising money this year, we sponsored a basketball tourney, with the Junior team taking top honors. We also sold white sweat shirts with a red T. C. H. S. emblem.

Concluding our Sophomore year we had our annual class picnic at Lincoln City.

The summer passed very quickly and school time was here once more. Now after two long years we were upperclassmen and with this honor came

more responsibilities and hard work. 112 students gathered at the first class meeting to elect Jim Thomas, President; Charles Hess, Vice-President; and Dot Allwardt, Secretary-Treasurer. To lead us through this important year we chose Mr. McRae and Mr. Hoopingarner as class sponsors. We were represented at student council meetings by Jim Thomas, Betty Schroeder, and Charles Wilgus.

One of the biggest thrills of our Junior year was the ordering of our class rings in October. Also in this month the Junior Class Play, "The Night of January 16th," was presented, directed by Mr. Paul Brewster.

Because of expenses to come in the future regarding the Prom and Senior activities, we decided to raise the money by sponsoring a Junior Carnival in November. Some of the main attractions were the fashion show, hula hut, and spook house.

As the year drew to a close we held the Junior-Senior Banquet at 6:30 at the K of C Home followed at 9:00 by the Prom, where we danced to the music of Dixie Davis.

During the last week of school we attended our annual class picnic at Lincoln City. Everyone had a swell time - - boating, picnicking, and swimming.

Now after three years there were only 105 Seniors that returned for their final year. Jim Thomas was again elected President, with Marvin Hicks, Vice-President; and Carla DeLoria, Secretary-Treasurer.

Student Council members were Dick Winchell, Nancy Jenkins, Jim Thomas, and Betty Schroeder. To lead us through this difficult year we chose Mr. Thrasher and Miss Black for our sponsors.

Since we needed money for our Senior Trip and other activities, we held a magazine sale which was a huge success.

Our Senior Play, given on April 1, entitled, "You're Telling Me," directed by Mr. Paul Brewster, was a romantic comedy and one of the best ever presented.

The editors and associate editors for our year-book were chosen soon afterward; these officers were, Jerry Backer, Carla DeLoriea, Dot Allwardt, Lewis Schwering, Vic Berger, and Bobbie Young, respectively. Various committees were chosen to help gather information.

This year our athletic abilities shone, too. After the varsity basketball team won the sectional, the seniors boys won the class tourney, and the senior girls won the girls' championship.

On May 7 at 6:30 P.M., the senior class was the guest of the Junior class at the Junior-Senior Banquet held in the K of C Home. Later, while Marvin Hicks' Combo played, the juniors and seniors, with their guests enjoyed the Prom very much.

The solemn occasions of this, our last year, were Baccalaureate and Commencement. Baccalaureate Service was held May 22 in the Tell City High School Auditorium with Father James Shanahan, of Tell City, as principal speaker.

Monday, May 23, was Senior class and awards day. Following this we traveled to Chicago for our end-of-the-year trip. On May 27 during our Commencement exercises Dr. Christian Jung delivered the address. Dot Allwardt gave the Valedictory and Jeanette Harpenau gave the Salutatorian's address. The Tell City High School Band played the processional and recessional marches and other selections.

For our class colors we selected blue and silver; our class flower, the American Beauty Rose, and our class song was written to the melody of, "That's My Desire."

Thinking back over these four years we hope that it will help us make "The Best Better."

Senior Class Prophecy

As the class of '55' prepares to leave dear old T. C. H. S., we have gone into the future for a glimpse of them in 20 years. Join us now for a sneak preview of the supersonic year of 1975.

A graduate of '55' is on top of the world, so to speak. George Lorenz II is with the Navy in the Arctic Circle. He is the chief cook. George tells us it is too cold for frogs, though.

Bob Dutschke is going places fast these days. He is a test driver for Cadillac. By the way, he still has his old Mercury.

A current best-seller book for months now is "Nothing." It was written by our old classmate Herman "Nothing" Brune. Incidentally, the pages are blank, which accounts for the title.

Alberta Dauby's love-life came to a happy end. She is married to her Roy Gene Poole and they are raising -- not kids -- but dogs! They have a collection of over 100.

John Hoch has just been appointed U. S. Ambassador to China. The President felt he would do well in this position since he lived there for some years. Incidentally, the President is none other than Lewis Schwering, who was elected on the Independent ticket. President Schwering is the youngest person ever to hold the U. S. Presidency.

Mary Ruth George has just achieved world-wide acclaim for swimming the English Channel. She is living in New York and would love for all of her old boyfriends to drop in and see her if you are ever there.

Reverend Harry Coultas is now on a world-wide tour. His purpose is to convert sinners. He has been called another Billy Graham. His wife is the former Helen Seibert.

The class of '55's' contribution to the atomic age is Jeanette Harpenau. She is known far and wide for her famous experiments in mathematical science, and is currently carrying on the work of the late Albert Einstein.

Jerry Backer has made himself and Tell City famous. Jerry is now head coach at Tell City and has coached the Marksmen to a state championship title. Jerry was an All-American basketball star in his college days.

Wayne Braun is still at Indiana Central college. He's been flunking out so he can stay up there near Peru and Judy.

LaVonne DuPont is one of the well-known stars in the movies today. She has been called another Marilyn Monroe. We're sure everyone remembers Marilyn -- she was very popular when we were young. LaVonne is now on a European tour.

Gary Harpe is still thrilling all the girls at Bill Neu's. He has become a very famous dance instructor for Arthur Murray. It's supposed to be a secret, but we hear he is better than Arthur Murray himself.

Roberta Mulzer and Ronnie Smith are a famous husband and wife team on T.V.'s newest show. It was formerly the "I Love Lucy" program, but is now the "I Love Bertie" show.

Also a well-known T.V. show is "Annie Oakley" with our own Jessie Poehein. Jessie is Annie and a great shot she is.

Aloysius Bruggeman, now a very famous personality of those famed Helldrivers, accounts for his success in this way: "My experience as a reckless teen-age driver has paid off."

Pat Alvey has one of the meanest saxophones around. He has achieved fame and fortune as that hot sax player with Ray Anthony.

Marilyn Wold is now head nurse at Perry County Memorial Hospital. She finally got her big ambition.

A new drug store has just been opened in Tell City. Gayle Hessig is the new owner and we notice that she is giving Schreiber's quite a bit of competition.

Joe Sue Eades has succeeded Mr. Lee as Book-keeping teacher in T.C.H.S. She is giving out a book-keeping assignment everyday. Everyone is flunking out of the course. Wonder why?

Eldon Hammack is no longer delivering bread for the Donald Duck Bread Company. He has his own bakery and is baking his own bread. Eldon calls it Carol Bread----after his wife, of course.

Alfred Lottes has made the Navy his career. He finally decided cars didn't go fast enough and is now on an atomic submarine. They go faster than cars he said.

Raymond Davis has gone to far-off Africa. His original plans were to study the natives, but he ended up joining the Wambesi tribe.

John Collignon is no longer driving around in his gray Plymouth. He now has a powder-blue Cadillac and a huge mansion on Long Island. John's wife is one of his former servants, Mitzi the Maid.

John David Glenn is a professor in anatomy at Indiana University. Incidentally, his latest research has been for Dr. Kinsey's new book. Be sure to look for it on your news stands.

One of the most exclusive designers in the fashion world today is Jemma Hermann. She has a most magnificent shop in Paris where she is now living. She spends most of her leisure hours on the Riviera.

Earl Ettensohn is no longer working for Jess Dauby and selling Chevrolets, he is now the largest Jaguar dealer around and is about to run poor Mr. Dauby out of business. His favorite car is his char-treuse Jaguar.

Alan Cassidy is still seen riding around Tell City on his treasured motorcycle. He is now president of the Motorcycle Club in T. C.

Dot Jones is now married to Gene Basham. She is still singing for dances and has a new record out that is destined to be tops on the hillbilly hit parade.

Judith Kellams, a former school librarian, is now head librarian at Tell City Public Library. She is now married and has several little book-worms.

Bill Cronin has married his high-school sweetheart, Teresa Harpenau, and is top salesman of Chevrolets at Dauby Motor Co.

Gene Hartz owns his own dairy now. His milk was especially created for babies and he promises their moms and dads will like it, too.

Charlie Wilgus just recently took over the coaching job of the I.U. basketball team. He plans a championship team for them next year. He and his wife, Kay Bledsoe, have ten girls. Quite a collection!

Judy McNeely is now living in Vincennes. She and her famous husband, Larry Miller, are well-known in all society circles. Recently Judy was named one of the ten best-dressed women in the United States.

Dick Winchell went on to become a professional football player with the Chicago Bears. We understand he is seen quite often around the ritzy night spots of the big town with some of the richest girls in the world.

Norma Wittman and Augie Marshall are married and living in dear old Tell City. Augie and Norma have five boys and are planning a great basketball team for Tell City for years to come.

"Dance with kicks, to Marvin Hicks." As you can see our own Marvin Hicks has really gone places in the musical world. He is ahead of his nearest competitor, Harry James, by a large margin. Lovers of his famous trumpet say he really makes it talk.

Pat Birchler and Poodie Zellers are two of the richest farmers in Indiana. We hear they have one of the biggest corn crops in the whole state. Along with the farm they have three sets of twins.
