NOTLENNAC

Cannelton Middle/Senior High School

We'll be true to the schools that we love so well,
May her praise ever we will sing.
In our hearts may our thoughts every fondly dwell,
May our hopes and our wishes be true.
There are schools, other schools, that are far and near,
But the best is the CHS!
To our colors we'll be loyal to her name we'll bear our everlasting faithfulness!
B-U-L-L-D-O-G-S, Yeah, Bulldogs!

Mrs. Noland joined the Cannelton family in January 2006 as our Spanish and art teacher. She spends her days opening doors to students in both of these areas so that they become more culturally aware of the vast life around them. In addition to her teaching duties, Mrs. Noland works hard as cheerleading coach and assistant softball coach. Plus, we all know she's a real "superstar."

Class Quote- Faces of old and faces of new. People we know and people we knew. Growing together and drifting apart. Always an ending and now a new start. At graduation we all grow nearer, and all of our friends seem too much dearer. And as we say our final goodbye, one last embrace and one more cry. A "keep in touch" and a "promise I will," a "remember when" but better still; a place in my heart, you'll always stay. This is what's said as we go our own way!

TAKING KING'S ISLAND BY STORM

The bus ride was comfortable, but long.

Getting up REALLY early, we met at school for photos by the bus at 5:29. Then we headed for Cincinnati and a day of fun.

We had our picture taken in front of the King's Island sign.

Some planned where to go first...

...while others sat and waited to be told where to go.

What are they thinking? '07

"Do we really have to walk all the way to the gate?"

Brian King

"I just can't wait to get in there."

Mr. Smith

"I thought the Eiffel Tower was in France, not Ohio."

WINGS!

Chelsea prepares to fly high!

"I'm cool!"

The epitome of coolness, Brian eases his way around the park.

HANG ON!

Part of the group is still hanging on -- after the ride is over!

Getty up!

Mr. Smith & Mrs. Bryan brave the carousel. Deanna waits to fly.

Lone Star Steakhouse

The group enjoyed each other's company

a good food

after a long day of thrills and chills.

"It's mine..."

Is Brittany Wheeler telling Jessica Dixon to stay away from her bloomin' onion?

"When do you think the food will get here? I'm starved!"

Leroy, our bus driver, enjoyed our senior trip more than the others he'd attended.

Mr. Bryan is always good for a laugh.

The last day of school

One last assembly and then graduation practice.

Reality hits...

tomorrow is it. Where did the time go?

Senior Class Photo

We had just attended our last assembly and were about to have our final graduation practice. We were all tired and hot from sitting in the community center for several hours, and it was blazing hot on those steps -- especially in black.

But we knew that this was the final senior snap and we dealt with it, all together.

"Always an ending and now a new start."

*Honoring and
Remembering Heroes*

Veterans Day Program

On November 10 we honored America's veterans who have served in all branches of the military, in war and peacetime. This was just a small way for Cannelton City Schools to say, "Thank you for keeping us free!"

The morning started off with the "Pledge of Allegiance" and a moment of silence around the flagpole.

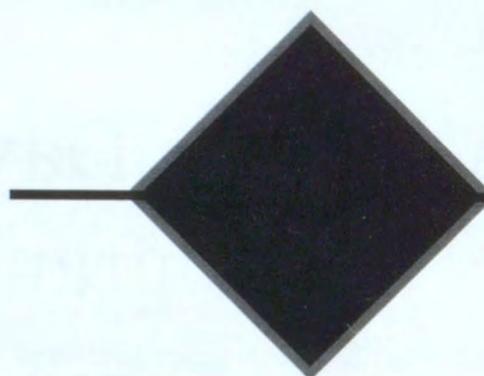

Veterans, community members, staff, and students stand at attention during "Taps", cannon fire, and the retiring of the colors.

Gone, but not forgotten. The uniform of Mark Miller reminds us of the sacrifice many men and women have made to keep us free.
