# POLITICS IN T.C.H.S.

LOTS  
OF  
SPEECHES!

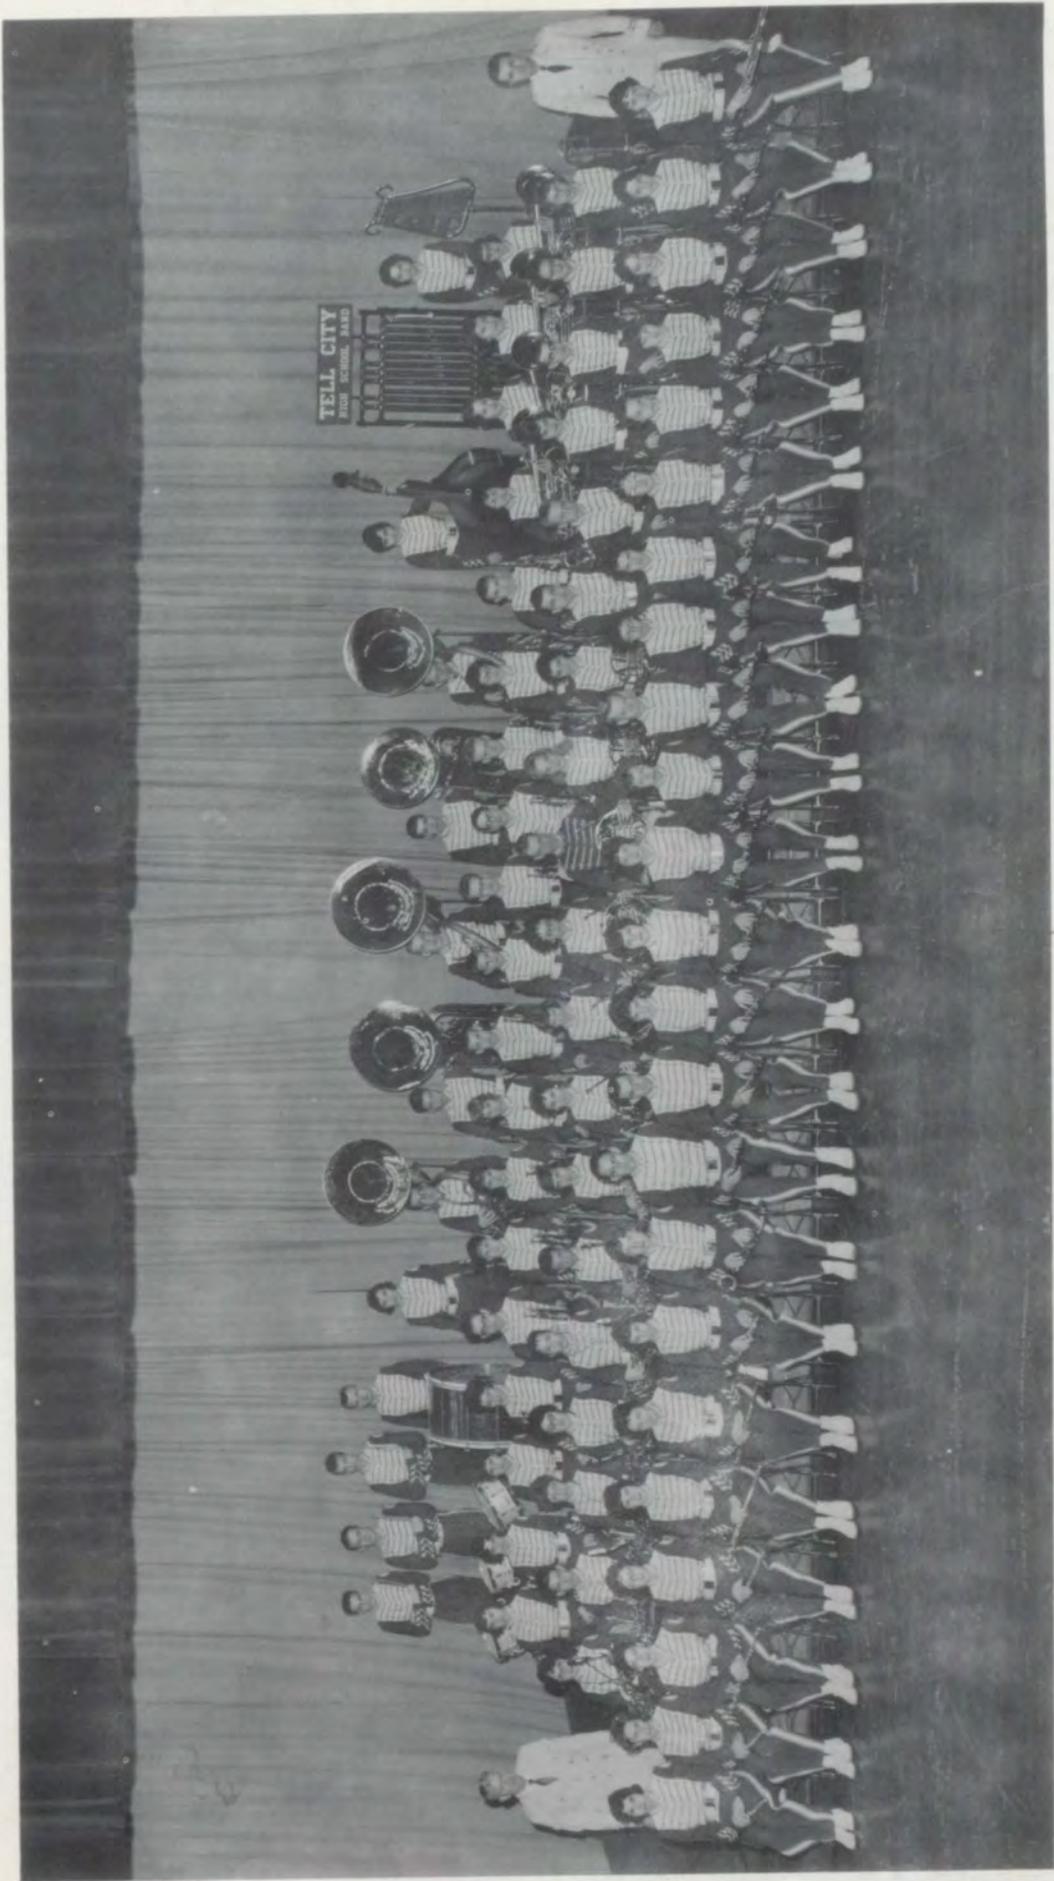

POLITICS  
IS  
FUN

On November 4, 1960, the Democratic and Republican Parties of our high school held their pep rallies for their respective candidates in the national election.

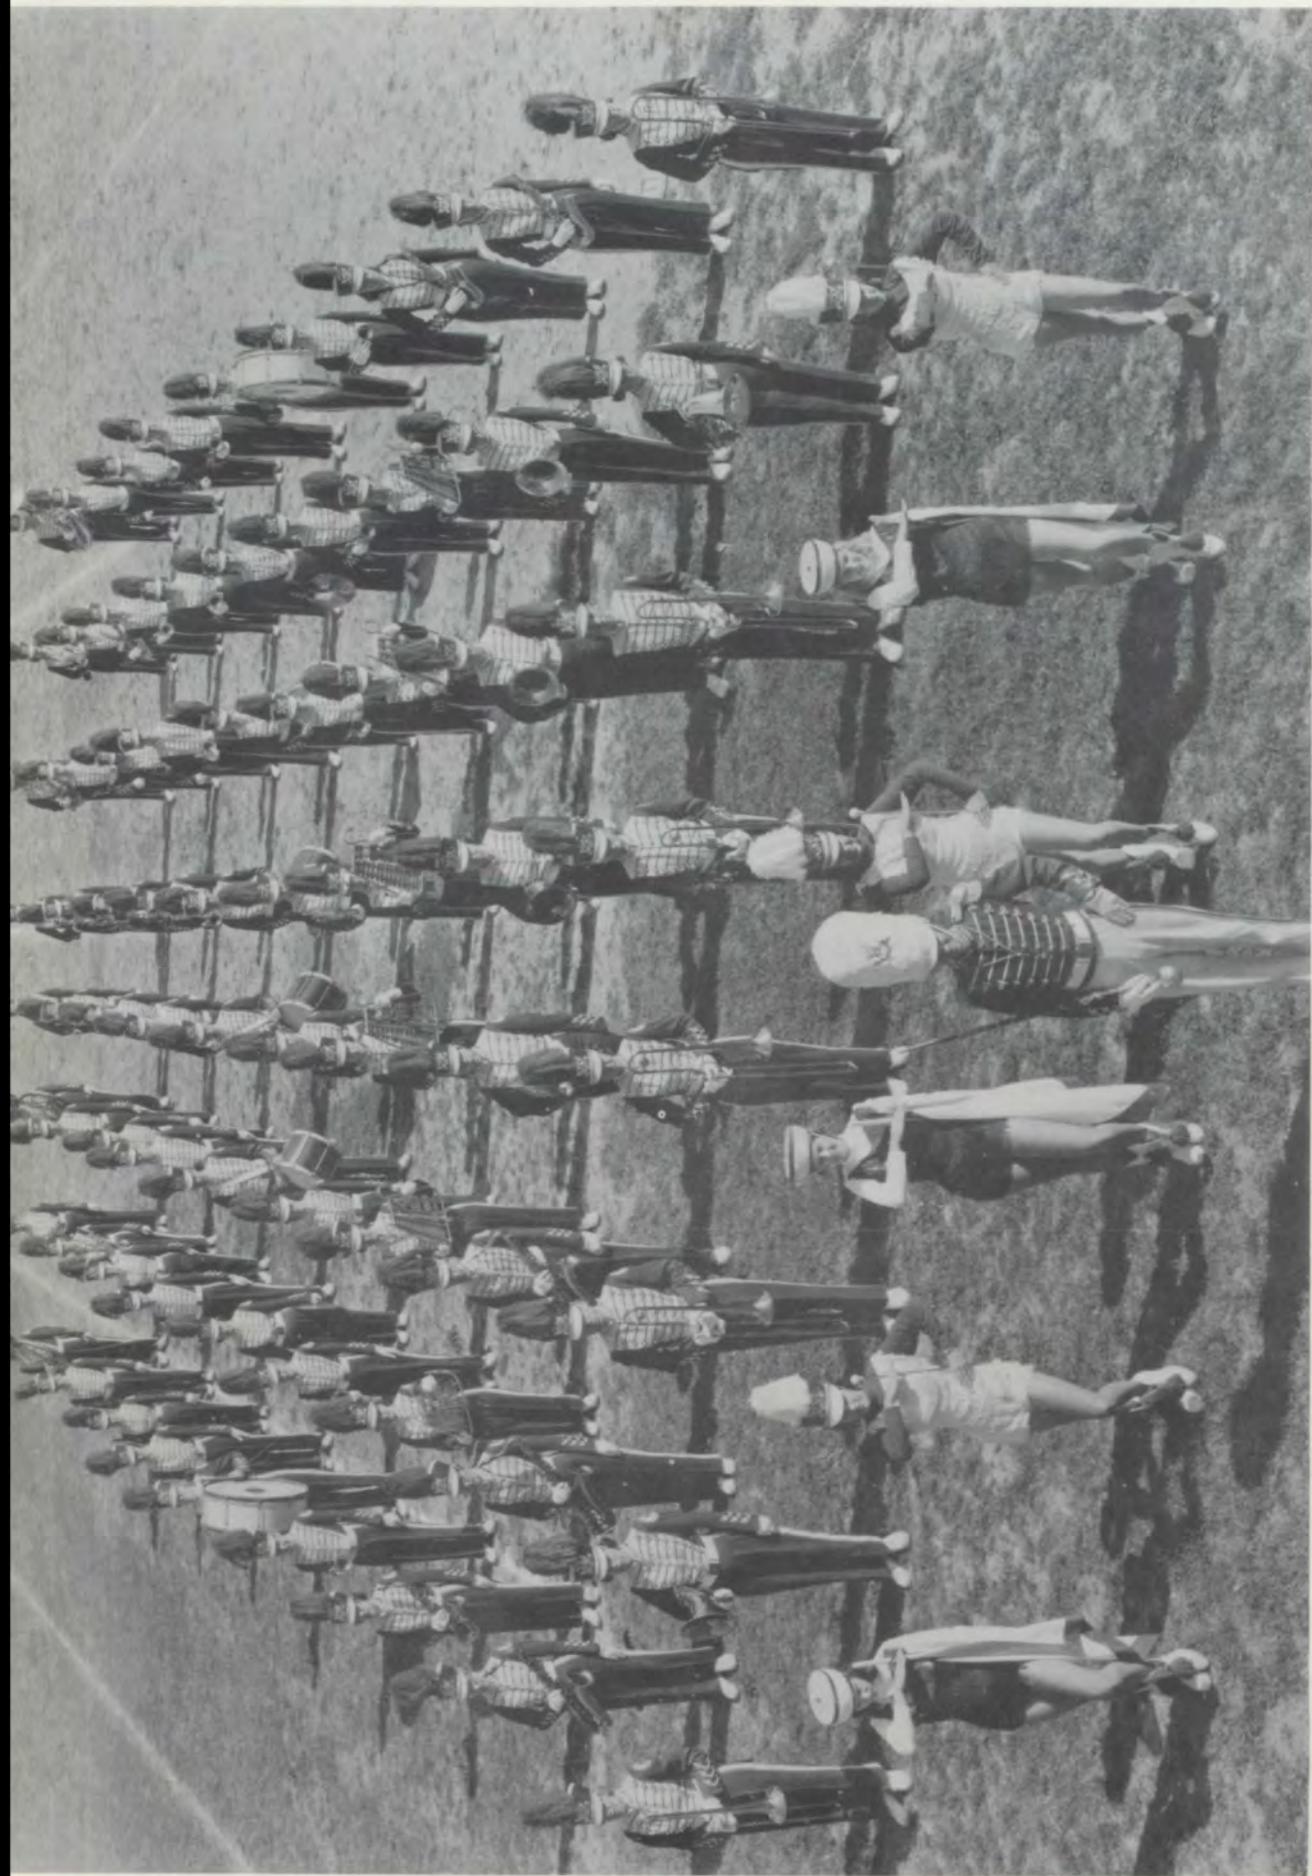

The government classes organized and conducted the rallies. Two speakers were chosen for each party. They were: Betty Borders speaking for Kennedy, David DeVillez speaking for Johnson and the democratic platform, Bob Sprinkle for Nixon, and Faye Phelps for Lodge and the republican platform.

On Monday, November 7, the high school held its election. All high school students voted for all candidates on the county, state and national level. The election proved to be democratic all the way through except for one republican official on the state level.

# MARCHING MARKSMEN

The Tell City Band left by rail from Mitchell, Indiana on January 18, 1961, for a trip that will long be remembered. Our band was chosen as a band-at-large to march at the inauguration of John F. Kennedy.

Arriving in Washington on Thursday morning, the band proceeded to visit the Bureau of Printing and Engraving, the Washington Monument, the White House, and the Smithsonian Insitute, where, among other things, they saw the famous Hope Diamond.

On Friday, the band traveled to the Pentagon to line up for the parade. In spite of the freezing weather, the band marched the entire length of the parade.

On Saturday, the band visited the Capitol Building, where they saw the Senate in session, Mt. Vernon, the Iwo Jima Memorial, and they saw the changing of the guard at Arlington Cemetery.

The band arrived home, Sunday, thoroughly exhausted, but thrilled from such an exciting and interesting trip.

#### OUR JANITORS

These are the gentlemen who keep our building clean and livable. It's not always easy, picking up after a high school full of energetic and sometimes very careless kids. We wish to express our thanks to them for their long and hard hours of work during school and in the hot summer months. Left to right: Mr. Albert Mullis, Mr. Chester Smith, and Mr. Archie Arnold.

## A GAME MAN'S PRAYER

Dear God: Help me to be a sport in this little game of life. I don't ask for any place in the lineup; play me where you need me. I only ask for the stuff to give you a hundred per cent of what I've got. If all the hard drives come my way I thank You for the compliment. Help me to remember that You won't let anything come that You and I can't handle. And help me to take the bad breaks as part of the game. Help make me thankful for them.

Finally, God, if fate seems to uppercute me with both hands and I'm laid up on the shelf in sickness or old age, help me to take that as part of the game also. Help me not to whimper or squeal that the game was a frame-up or that I had a raw deal. When in the dusk I get the final bell, I ask for no lying, complimentary stones. I'd only like to know that You feel I've been a good guy. --

# ADMINISTRATION AND FACULTY

I am a teacher.

The responsibility  
sometimes overwhelms

me. I need your help.

I need your strength

and wisdom to guide  
these young feet on to  
straight paths.

Lord, Let your knowledge

be mine, and mine, theirs.

#### SCHOOL BOARD

Under the capable direction of a 3-man board composed of William Ress, president; Walter Becker, secretary; and Lee Hagedorn, treasurer; our school system has operated smoothly during the past school years. They are responsible for studying ways and means of making our system even a better one, for the students of future Senior Classes. We know you have many headaches, but we do appreciate all the things you have done for us.

#### GRADY SWADLEY

As superintendent, Mr. Swadley, you have many worries we never hear about, we expect, but we are highly appreciative of the efforts you expend in our behalf. You have a busy schedule, but you still find time to be our favorite yell leader, and to listen to our woes now and then.

#### JEAN WETZEL

Mrs. Wetzel--Jean to us--looks after our class money, keeps the school accounts in order, and usually knows the answer to our questions. Jean is a graduate of TCHS, lives at 802 Eleventh St., and drives a snazzy '61 Buick. She likes reading and seeing the U.S.A.

#### HUGH THRASHER

The chap who has lots of energy, and expects us to have equally as much is none other than our genial principal, Hugh Thrasher, a native of Chrisney. He has been at the Institution as long as any of us have lived, drives a green (once upon a time) Chevy, has a smart daughter and a nice home, and likes to travel. He has degrees from Evansville College and Indiana University, is in demand as a speaker, and supervises the Summer Recreational Program in his spare time. Oh, Yes! he also teaches a Sunday-school class, and pinch-hits for the preacher when he's away.

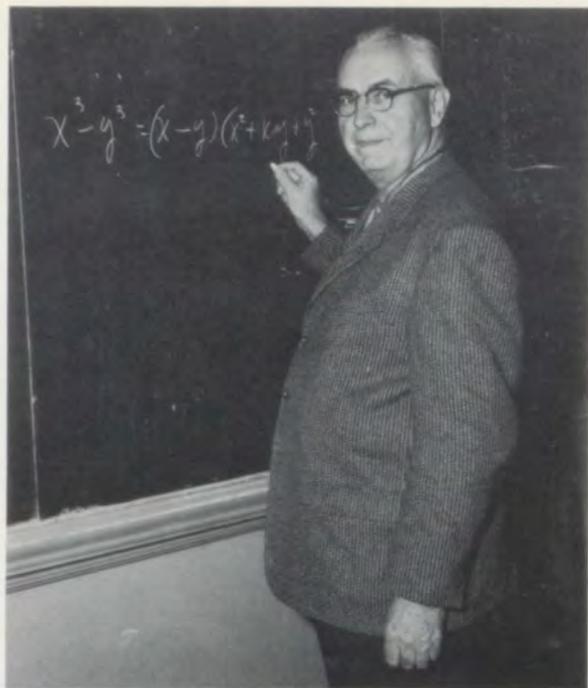

#### MRS. MARIE MEEK

Can YOU imagine what school would be like without Mrs. Meek's capable ways, and ready smile, at all hours of every day?? She has been here as long as we have, and still has a grand sense of humor, strange as it may seem. She keeps the school records, serves as Mr. Thrasher's secretary, and listens to all our lame excuses for being tardy. The rest of the time, she looks after her nice home at 420 Twelfth Street, and her son, Jimmy.

#### OUR OFFICE HELP

Even a capable secretary like Mrs. Meek needs lots of willing feet to gather absence slips, deliver messages, and 1001 other things that need doing. And she has LOTS of help--about two gals each period. They are: Emily Hubbs, Roaslie Easton, Pat Mitchell, Danny Thomas, Bessie Phelps, Betty Borders (seated) Sally Savage, Brenda Beren, Jane Hoffman, Sue Walk, Alice Robbins, Margaret Lippert, Joan Lauer, Carolyn Seibert and Brenda Delaisse.

EDWARD PETER

Mr. Peter is quite a family man, with nine children, and at last count, some 18 or 19 grandchildren. He is a native of Perry county, has taught 31 years, and has 'larned' lots of us how to wade through algebra.

IVAN SPRINKLE

Mr. Sprinkle is the super-salesman of our teaching force--and likely knows every man, woman and child in Perry County by their first name. He has attended I. U., Indiana Central, Oakland City and State Teacher's colleges, has two daughters and a nice home.

FREEMAN BEATTY

Mr. Beatty teaches English, journalism, general business and typing, and has the paper and annual. He has two grown sons, an old car, and likes to travel.

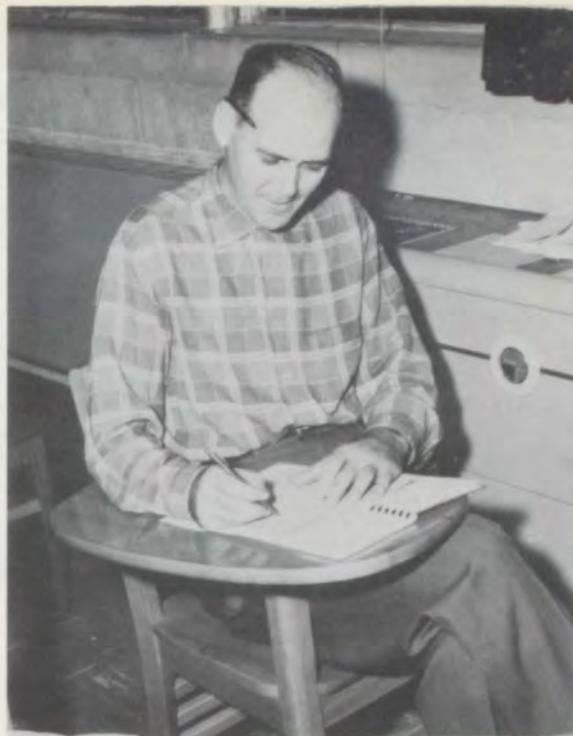

LESTER LEE

Mr. Lee is the dean of our teaching staff-with 40 years of teaching to his credit, all in Tell City. He has started many typists and bookkeepers on the road to a profitable living. He likes nice cars, hunting and farming.

PAUL SILKE

Mr. Silke has been leading and directing the world-famous Tell City Band for as long as most of us have been around, and still leads a pace that leaves us panting. He has brought loads of fame to our town--more luck during the next 10, 15, 20 years, Mr. Silke.

DOLIVER LOFTIS

"Doc" is the farmer of our outfit--both in teaching and practice. He lives on one, where he raises eggs, white-faced cattle, and one boy, Donnie. He also likes Tennessee and DeSotos.

DONALD ROBERTSON

Mr. Robertson has been with us three years, and teaches us how to sing, to play musical instruments, and how to win marching contests. He is a native of Huntingburg, is married, and sports a classy Chevy.

LLOYD RICHARDSON

Mr. Richardson, native of Lamar, is now teaching chemistry, business arithmetic and business math. He kids a lot with us, but really makes us work, too. This is his third year with us, and he lives at 447-13th Street with his wife, Helen. He has his degree from Purdue.

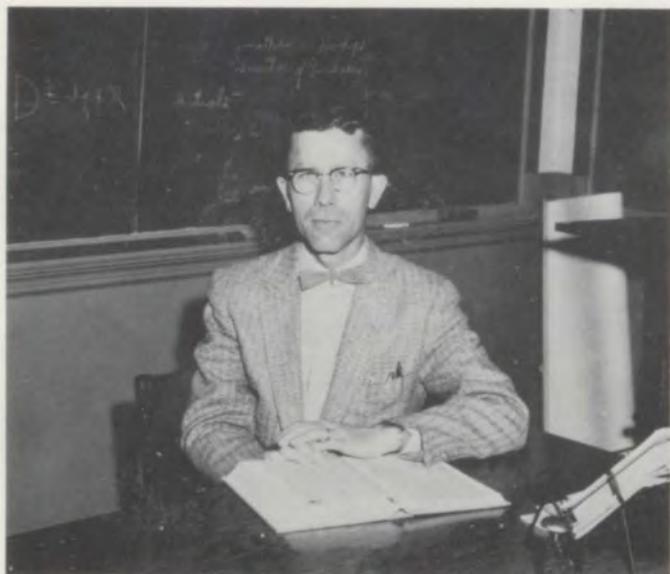

MRS. ELVERDA WALTER

Mrs. Walter does her best, every day of the school year, to enlighten us on the finer points of algebra, French, and Latin. She is a graduate of TCHS, drives a green Chevy, and enjoys reading.

VIRGINIA A. DEWEESE

Miss Deweese likes to travel--as long as she can keep gas in her baby Cad. She hails from Grandview, teaches Spanish and has charge of our library. We've tried many times, but we haven't been able to stump her on finding information for us, yet.

EDWIN CASSIDY

Mr. Cassidy has been at TCHS about as long as most of us have been alive, and still can smile as he tries to teach us shorthand, typing, or office practice. He served in the Pacific Theater during World War 2, has a nice family, and does painting during the summer.

RICHARD J. ROOS

Mr. Roos, a native of Lamar, has been with us for three years, teaches government, psychology, sociology, and economics--and really makes us work. His classes help us to understand why we are as mean as we sometimes are.

OTIS SAALMAN

"Major" Saalman has spent 20 years in the U. S. Army, and has many experiences to tell of his 3 1/2 years as a Jap prisoner, and is one of the survivors of the Bataan Death March. He and his wife, Agnes, and their nine children live in Cannelton, and he TRIES to teach us a bit of English.

EUGENE LOWE

Mr. Lowe, a native of Terre Haute, teaches us how to type, and helps with guidance. He also has charge of the city pool during the summer months, and as such, fills a very essential community need.

ARLIN MC RAE

"Mac" has been with us now for 10 years, teaches English and art, and is liked by all. He has attended Florida Southern College, Indiana State, Indiana University, and Evansville College. During the summer months, he has the Arts and Crafts Program.

ORLANDO WYMAN

Mr. Wyman has been with us for three years, has won us lots of ball games and athletic publicity, has a snappy station wagon, and three cute kids. He is a native of Kentucky, and is our head basketball coach.

#### CALVIN BURRIS

Mr. Burris is a native of Evansville, teaches metal shop, and thus, spends most of his time under the north bleachers. His ready smile and willing disposition has made him popular about TCHS. During summers, he helps his father and brother at the Marine Sales.

#### KENNETH DYER

Mr. Dyer, who teaches woodwork and mechanical drawing, is new with us this year, and comes from Cadiz, Kentucky. He lives with his wife and two boys at 1506-13th St., drives a Chevy, and does carpentry work during the summer.

#### HELEN SNIVELY

This is the second year Miss Snively has been teaching our girls how to sew, patch, cook and that there stuff. She comes from New Harmony, is a graduate of Indiana University, and likes to travel.

VICTOR WALK

Mr. Walk has been with us for five years, and spent 23 years in Troy before that. He has a nice family, a nice home, and two new cars, and looks after our guidance program. He also pinch-hits for Mr. Thrasher, when he is away.

RICHARD HARDIN

This is Mr. Hardin's first year at TCHS. He is a native of Greenfield, Indiana, holds degrees from Ball State, and teaches algebra and physics. He spent three years in service, mostly in Germany, and is STILL single.

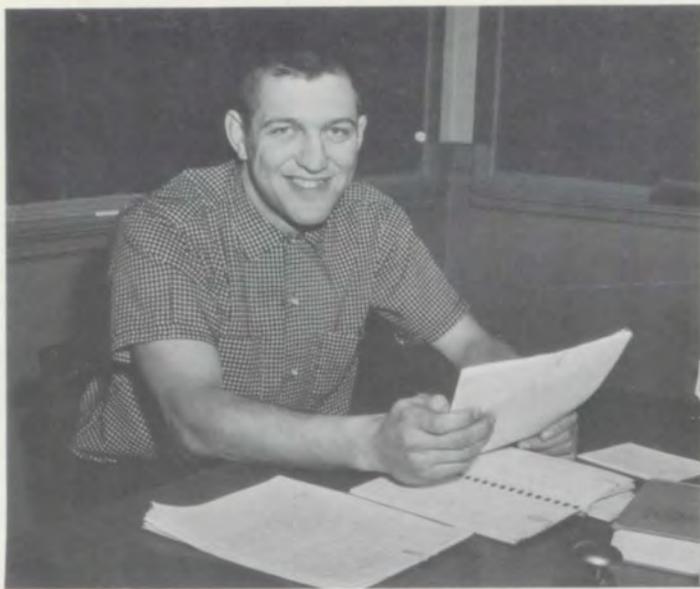

BEN VARNER, JR.

Mr. Varner is new with us this year, but really teaches us about bugs and worms--in biology, that is. He lives on a farm near Evanston, raises boys and white-face cattle in his spare time. He is a member of the Methodist Church, and took his degrees from I. U.

ORRIN WEBER

Mr. Weber is new with us this year, but is really 'larnin' us. He teaches sophomore and junior English, has a brogue, a station wagon, and a mighty cute wife.

#### MEL LURKER

A new teacher at Tell City High School is Mr. Lurker, who resides at 801-13th st. At T.C.H.S. , he teaches typing and drivers training. Born in Evansville, he attended Evansville College where he received his B.S. and B.A. degrees. He attends the Lutheran Church and his hobby is sports.

#### JOSEPH TALLEY, JR.

Mr. Talley lives at 1834-12th Street, in Tell City, with his wife, Ruth, and their two children, Micki and Danny. He teaches biology and health, and is head football coach. He was born in Bowling Green, Ky., and attended Western Ky. State College where he earned his B. S. degree and M. A. degree. During the summer, he attends school.

#### ELEANOR TIPPIN

Miss Tippin teaches physical education, was born at Salem, Indiana, attended Indiana State Teachers College, where she earned her B. S. degree. She enjoys television and sports in her spare time. During the summer months, she attends school.

SCOTT O'CONNOR

Mr. O'Conner attended Cayce, Ky. High School and Murray State and Lincoln Memorial University. He teaches junior English and Spanish. His hobbies are all sports and pinochle. During the summer, Mr. O'Conner works at the Spanish Institute in Wichita, Kansas. He has taught for 11 years, has two sons and lives at 1134 13th Street.

EDRIS BATCHELOR

Mrs. Batchelor teaches freshman and sophomore English, has her degree from Indiana University, lives at Derby, and has made many friends here. She likes fishing and boating.

ALLEN KRAMER

Mr. Kramer is now in his first year of teaching at T. C. H. S. He attended Mackey High School, Oakland City College and Indiana State Teachers College. He teaches physical science and general math. His hobbies are hunting and fishing. We hope Mr. Kramer is around for many years to come.

MARJORIE TOWN

Another new personage at our school this year is Miss Town, who teaches home economics. She was born in San Antonio, Texas, attended Western Kentucky Teachers College, and now lives at 922 Washington Street. Her hobbies are traveling and painting.

#### TELL CITY'S FINEST COOKS--BAR NONE

Our cafeteria cooks, left to right, Rose Fendel, Christine Masters, Ann Scheiber, Maggie Smith and Elizabeth Snyder, prepare our meals each day, besides serving many public functions. During this school year, they have prepared 125,980 meals, and are justly proud of their fine kitchen facilities.

#### THREE HAPPY BOYS, AND THEIR NEW MACHINE

During this school year, we acquired a 1250 Multigraph, which we use for the school paper, plus many dozens of assorted school jobs. The masters are prepared by a number of advanced typists, and these three boys--Ronnie Dersch, Willard Lautner and Terry Miles--run them off. Larry Bender and Dave Paulin are also student operators, but were not present when picture was made.

## SOPHOMORE CLASS HISTORY

The sophomore class of 64 boys and 81 girls picked as their officers-- Bob Ress, president; Kenny Stevens, vice-president; and Sharon Baker, secretary-treasurer. They elected Mr. Varner and Mr. Walk as their advisors.

The big event of the sophomore year was selecting and receiving their class jackets. These have a target with the class year on the book, and on the front, they have a "TC Marksmen" emblem. The sleeves are either red cloth or red leather.

# SENIOR CLASS HISTORY

When this senior class entered these halls just four short years ago, they were awed and fearful of what they would do here. They looked at the '58 graduating class and wondered if they could ever be as smart or sophisticated as they were.

But soon, those "green freshies" caught on to the routine and got into the swing of things. They all soon made new friends--friends they will probably keep the rest of their lives.

The freshmen elected their officers and sponsors soon after they entered school. They chose Cliff Miller as president, Alvan Blunk as vice-president; and Carole Werner as secretary-treasurer. For their sponsors they chose Mr. Sprinkle and Mr. Kirk.

The freshmen didn't have many class activities. They were just too busy getting adjusted to the routine.

Early in their sophomore year, they chose their officers and sponsors. They were Bob Kessner, president; Dave Lueking, vice-president; and Kay Poehlein, secretary-treasurer. The sponsors were Mr. Robertson and Mr. Johnson.

The great pleasure of the year was picking out and receiving their class jackets. Oh, they were very proud of those jackets with the white leather shoulder bands and scroll with "Marksmen" printed on it on the front!

At the end of their sophomore year, they ordered their Junior Class Rings. They waited in great anticipation until they finally came in September.

September came and they started out their third year in high school. They started everything by electing their class officers and sponsors. They chose Bob Sprinkle as president, Ed Hodde as vice-president, and Susan Finch as secretary-treasurer. Their sponsors were Mr. McRae and Mrs. Ganchiff.

It wasn't long before the juniors started working on the fabulous Junior Carnival. There were many side shows and games. Everyone enjoyed themselves and it was also a success financially.

In the spring, the juniors started work on the Junior-Senior Prom. The Prom was held at the K of C Home and the theme was "Cinderella."

Well, they've finally arrived. Now they are sophisticated seniors, but they really don't feel as sophisticated as those '58 graduates seemed.

As their officers for this final year in school they chose Bernard Lally as president, Craig Glenn as vice-president, and David Richard as secretary-treasurer. They chose Major Saalman and Mr. Lowe as their sponsors.

In November, they had their magazine sales, they had a hard time selling the magazines because of the economic condition of Tell City, but they did make a profit of over \$1300.

In the latter part of October and first of November, the government classes put on political campaigns for Kennedy and Nixon. Senior band members put together pep bands for each political party and went through the halls at noon singing their party pep songs. On the Friday before the elections, they held a convocation with speeches for each party and party candidates.

The day before the national elections, the government classes held an election here at school. When the returns were in, it was found that Kennedy had won, both in the school elections and the national elections.

It was decided, that in order to make money, the seniors would have dances in the cafeteria after all home basketball games, and on the first Monday of every month, they would collect one dollar from everyone who wished to go on the Senior Trip. They also sold Chesty Pop Corn on which they made a nice profit.

In January, they sold class pins and pendants, on which they did well.

On February 2, the seniors were measured for their caps and gowns. They had red and white gowns. They chose red and white mixed tassels for their caps.

In February, the class voted on where to go on their Senior Trip. They made their choice from three places--New York, Washington, and New Orleans. They decided to go to New Orleans. They were to stay at the Jung Hotel and visit many sights around New Orleans, including the French Quarter, the waterfront, the Blue Room at the Roosevelt Hotel, and Lake Pontchartrain Beach and Amusement Park.

On May 19, the seniors finished their last day in school. In the afternoon, they held Class Day. They read the class history, will, and prophecy, and after that, the teachers gave out their awards.

On May 26, they graduated. They are out in the world on their own and they will follow many paths. Some of them will go on to college, some of them will enter the service, and some will go right to work. Whatever they do, though, they know that their future lies within themselves.

To accomplish these ends--a sense of God--a sense of direction--a sense of responsibility--and a sense of mission in life, we see a need first of all for organization among Catholic youth, varying in its intensity according to the age of the youths. Thus it is evident that there is need for a well balanced program of activities to encourage Catholic youth on to better things through Catholic youth training and education.
