CANNELTON HIGH SCHOOL SONG

By Andrew C. Little

We'll be true to the SCHOOL that we love so well,
May her praise ever we will sing
In our hearts may our thoughts ever fondly dwell
Thee our hopes and our wishes we bring
There are schools other schools that are far and near
But the best is the C H S
To your colors we'll be loyal,
To your name we'll bear our everlasting faithfulness!

JUNIORS

Being a junior is pretty stressful, between planning for prom, starting to prepare for college, and some getting ready for the SAT and ACT we all stay pretty busy. (Not to mention those of us who work and play sports.) Four of the girls in our class played volleyball: Courtney, Brittany, Felicia Myers, and myself. Seven members of our class played basketball: David and Brian King for the boy's team and Courtney, Brittany, Felicia Myers, Felicia Polston, and myself all played on the girl's team. One of us is playing baseball, David Thompson, and five of us are playing softball: Courtney, Deanna, Brittany, Felicia Myers, and myself. Planning for prom has been fairly easy so far. We have ordered everything and are hoping that putting it all together is just as easy. There had been very few arguments, which is surprising coming from a class full of girls. We are looking forward to being seniors next year and ruling the school. Even though we know that a year from now it will all be over and the stress will only begin.

Sophomores

We finally made it to our sophomore year: no longer called "greenies," and no longer picked on by seniors. Some of us received our class rings this year. The boys in our class who played varsity were Michael Purcell, Ethan Dupont, and Stephen Lane. Felicia McMahan and I were the only sophomore girls who played basketball.

We elected Erica Wilson our class president, Erin Schneider: secretary, and Jesse Bolin historian/treasurer. As with all schools prom is a big deal. Being sophomores we didn't get to go to prom unless we had a junior or senior date. However, some of us were prom workers. The girls were Sara Austin, Samantha Burst and Erin Schneider. The boys were Thomas Foerster and Andrew Lenn. Our homecoming attendants were Sara Austin and Samantha Burst.

CHS LADY BULLDOGS

COACH JEFF MILLER

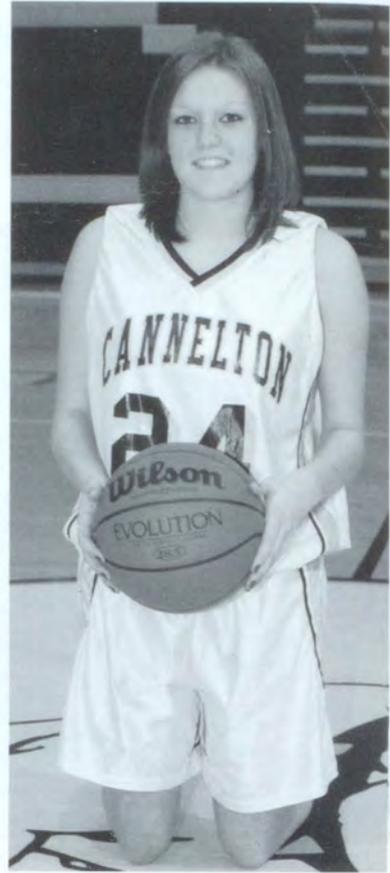

Our main goal this year was to be competitive in the sectional. We knew it was going to be a rebuilding season for us. During the season we had suffered more losses than wins. However, we improved as a team. When it was time for sectional, our main focus was to concentrate on our free throws and have a tight defense. We reached our goal by beating New Harmony in the first round of the **Girls Class A Tecumseh Sectional**. Our spirits were high as we went on to play in the championship game!

We competed until the very end giving it our best. Even though we lost every one felt as if we had won. Because this year was the first year since 1984 that any Cannelton Girls Basketball team made it to the **CHAMPIONSHIP GAME AND RECEIVED SECTIONAL RUNNER-UP!**
