Gymnasium and Music Hall

Cannelton's high school classes are held in three buildings. The top one is the Community Building, in which all physical education classes are taught. School plays, indoor games and tourneys are also held here.

The lower building, the old K. of C. Hall, houses the music department, art rooms, publication offices for *Hi-Life* and *Nottlennac* and recreation rooms.

On the cover of the *Nottlennac* is pictured the High School building, in which all classes not mentioned above are held.

Dedication

THOMAS J. TRUEMPY

Born in Enneda Canton Glarus, Switzerland, Thomas J. Truempy, beloved elderly citizen of Cannelton, came to this country at the age of fifteen years.

The democratic ideals which were his heritage have guided him in many years of unselfish service to his community. His public life includes a county office, two terms as Mayor of our city, and many years as a member of the school board. Those close to him now, know his happiest moments are spent reflecting over the years he served the schools, especially as President of the board when the high school building was erected.

After his active years as a board member were over, as a private citizen, he aided in the purchase of the K. of C. building for school use. May our community always have men of his understanding and love for youth.

H. R. DAVIDSON, *Superintendent of Schools*
A.B., Indiana Central College 1928; M.S., Indiana University 1937;
Candidate for Doctor's Degree Indiana University

Congratulations, Class of 1941! The school teachers, school officials, and school trustees are always happy to see a class complete the four years of high school instruction. It is a moment long hoped for by your parents, relatives, and friends. Graduation by the very definition of the word indicates it is not an end in itself but is an indication that you have reached a certain stage or graduation in your educational development. Your chances for a happy, useful life are greatly increased by this certificate. The determining factor in your future, as you have learned in your past, is hard work. Give your best effort no matter what the task. Best Wishes!

HARRY R. DAVIDSON, *Superintendent.*

SENIOR CLASS SONG
*We are the Class of '41,
Our high school days are
almost done;
We've all been true to
C. H. S.,
And in our work we've
done our best.
We love our colors—silver
and blue—
And we hope that you do,
too.
Our class we love — each
member's name above
the average in our
school.*
Tune—Jungletown

SCHOOL SONG

We'll be true to the school that
we love so well.

May we her praises ever sing.
In our hearts may our thoughts
ever fondly dwell,

Thee our hopes and our
wishes we bring.

There are schools, other schools,
that are far and near.

But the best is the C. H. S.
To your colors we'll be loyal,
To your name we'll bear

Our everlasting faithfulness.

Rah, rah, rah, rah, rah,
Rah, rah, rah, rah, rah,
Rah, rah, rah, rah, rah,
Cannelton High School, rah!

High School Band

Cannelton's class "C" high school band, directed by Professor Don Marketto, has won the district meet for the past seven years. It has also been given first division in the state meets and recommended for national in 1938-39 and 1939-40.
