TELL CITY HIGH SCHOOL

The ROAD OF LIFE means something different to each and every one of us, just as no two out of hundreds of people viewing a sunset, will ever see the same thing. What one sees or hears or thinks is determined by his or her heredity, environment, and mood.

The ROAD OF LIFE, very early in our own lives, leads into, across and coincides with, THE ROAD OF LEARNING, which enables us to take our stand as educated, literate, thinking, useful adults, and to carry our share of civic and family responsibilities. Our parents have told us (many times, we fear) that Life is much like a dime bank -- we get out exactly, and only, what we put into it, certainly, no more. Finally, after having followed the ROAD OF LEARNING for twelve years (short and wonderful ones, they were) we are just beginning to comprehend what they meant.

A SHORT HISTORY OF TELL CITY HIGH SCHOOL

There are 211 graduates this year, which makes a grand total of 3,307 graduates from T.C.H.S.

The first class to graduate was the class of 1905, with 3 members. At that time, our high school had two teachers----Mr. Chris Newman, superintendent of schools, and Mr. Hardin Whitmarsh, principal of the high school.

In the early days, there were few subjects offered, and no choice was given students in courses. All freshmen took geography, government, algebra, grammar, and Latin. All Sophomores took algebra, Latin, literature and physics. All juniors took geometry, Latin, literature, and physics, and all seniors took geometry, Latin, literature, and botany.

A newspaper clipping from 1906 lists 37 students in the entire four years of high school. Also, at that time, grades earned by each student in each subject were printed in the Tell City News.

Several of the smaller graduating classes have been:

1905 and 1906---3
1907 and 1916---4
1910---5
1917---7
1915---9
1918--10
1908,1909, 1913, 1921, and 1922---each 11.

Classes with over 100 graduates have been:

1955---101
1957---102
1959---112
1960---114
1961---128
1962---132
1963---133
1964---141
1965---211

This year (1965) marks the 60th year for T.C.H.S. For the first few years, the high school was housed in the Old North Building, which stood where Newman Building does now. From 1909 to 1928, the present Franklin Building was the high school's home. The new building on Twelfth Street was occupied in 1928, with additions in 1951 and 1963.

Our city has had eight superintendents: Chris Newman (1898 to 1923), Charles Hanner (1923 to 1929), J.S. Turner (1929 to 1934), Glen Traw (1934 to 1939), Napoleon Dixon (1939 to 1949), Fred Fechtman (1949 to 1955), Glen Bretz (1955 to 1958), and Grady Swadley (1958)

Mr. Hugh Thrasher has been serving as principal since 1956.

School Activities

Many things happen, every day, in and about TELL CITY HIGH SCHOOL, that an occasional visitor--like one coming to a class play, a ball game, or a PIA meeting, never sees.

We have some 900 lively young people filling our hall and classrooms every day. For the next few pages, join us for a visit to some of these behind-the-scenes activities.

Also, below, is something else that any casual visitor to our community wouldn't likely notice. Remember all the wonderful ice in our Beautiful Ohio, January 24, 25, and 26 ---1963??

SENIOR CLASS OFFICERS AND ADVISORS

Mr. Lowe, Thor Connally, Emily Fenn, Joe Gengelbach, and Mr. Hardin.

When the Class of '65 entered the halls of Tell City High School four short years ago, they were fearful as to what they would do here. They looked at the '62 graduating class and wondered if they could ever be grown up, sophisticated and educated like them.

But soon, those green freshies caught on to the routine and got into the swing of things. They soon made many new friends, some of these friends would retain for the rest of their lives, and others they would never see after graduation.

The freshmen elected their officers and sponsors soon after they entered school. They were, Larry Reynolds, president; Dave Smith, vice-president; Mona Young, secretary and treasurer. Donna Ramsey, Larry Kleaving, Jim Bob Aldridge, Rebecca Goffinet, Charlene Webb, and Pat Newton were elected to the student council. As sponsors they chose Mr. Walk and Mr. Wyman.

Entering these halls for the second time as sophomores, they elected Lynn Blinzinger as president; Larry Reynolds, vice-president; and Ricky Hobbs as secretary and treasurer. Mr. Curry and Mr. Taylor were their sponsors. Those elected to the student council were Gary Briggeman, Barbara Hilgers, Glenn Phelps, Thor Connally, Ann Werner, Joel Klenck, Joe Gengelbach and Dave Smith. During their sophomore year, they ordered and received their class jackets. Later in the year, they placed the order for their class rings at Wright's Jewelry.

September came, and they started their third year in high school. The first formal business was electing officers, sponsors and student council representatives. Larry Reynolds was elected president; Joe Gengelbach, vice-president; and Jackie Howland, secretary and treasurer. Their sponsors were Mr. Hardin and Mr. Richardson. The Student Council members were Bob Day, Alfred Snyder, Joe Gengelbach, Glenn Phelps, Bernard LeClere, Lynn Blinzinger, Donna Young and Jim Hawkins.

It wasn't long before the juniors started working on the wonderful Junior Carnival. There were many shows to see and games to play. Later, the dance was held. Nag Cunningham and Marty Hinders reigned as King and Queen.

In the spring, it was time to start work on the Junior-Senior Prom. The theme for the prom was EVENING IN PARIS.

In the fall of 1964, they entered these halls for the last time. During the last year at TCHS, they would make many decisions, many of which would shape their whole future.

The first task was to select class officers, sponsors, and student council representatives. The officers were Joe Gengelbach, president; Thor Connally, vice-president; and Emily Fenn, secretary and treasurer. Sponsors were Mr. Hardin and Mr. Lowe. Student council members were Anna Kessans, Rebecca Drury, Mike Gillick, James Schroeder, Judy White, Dennis Ball, Dan Oberhausen, and Kenny Maxey.

The highlight of the senior year was graduation. They also had a magazine campaign. Their goal was \$6,000, which they exceeded-for the first time in history!

During their four years at TCHS there were forty-seven withdrawals and thirty-three new students.

Those entering were Frank Harris, Linda Gubler, Jerry Cooper, Sharon Simpson, Randall Hess, Jerry Schaefer, Harmon Voyles, Deanna Ward, Barbara Beard, Ralph Emerson, Vicky Murch, Sandra Mulzer, Richard Summer, Beverly Henning, Diana Buntin, Elaine Cassidy, Donna Elam, Mary Elliot, Joe Hinders, Rick Howe, Sherry Hunter, Donna Hess, Marty Hinders, Sam Lee, Kenny Maxey, Ronnie Martin, Ann Macon, Janice Noland, Larry Pierce, Doug Watkins, Pat Scott, Wallace Kyle, and Pat Newton.

Those leaving were Lois Jones, Michael Waterbury, Juanita Waterbury, Jeanetta Blandford, Wally Kyle, Eddie Feix, James Zuelly, Linda Mattingly, Linda Adams, Don Thompson, Bill Kramer, Judy Rust, Carolyn Bolin, Mary Elliot, Betty Thaxton, Wade VanWinkle, Gary Briggeman, Sharon Simpson, Paul Hoffman, Sheral Morrison, Tom Davis, Sue Rudisill, Robert Cronin, Ella Jean Harlen, Judy Sodrel, Pat Tuggle, Bernice Weedman, Dave Winchell, Wayne Dersch, Harold Devillez, Bill Jordon, Harold Hess, Randall Hess, Anona Terry, Delbert Brown, Ronnie Cook, Rick Howe, Gene Hagedorn, Joe Hinders, Marty Hinders, and Betty Huff.

These are the members of the Jaycees and the officers of the senior class who helped collect money for the senior trip. They are from, left to right: Jim Ludwig, David Beatty, Mr. Hardin, Tiny Hughes, Oscar Ballis, Thor Connally, and Joe Genglebach.

TIME

Our greatest asset is the remaining hours of our life.

Time is one commodity that may not be borrowed, stolen, lost, or saved for another day. Each of us is allotted exactly the same amount each day of our lives, and our use of that time determines our success or failure in life.

Time is a gift of God. Man cannot creat, loan, or store it---he can only use it.

The way we have used our time during our school days will go far in determining the course of our life over the coming years.

We have had many dedicated teachers helping us to learn to use time wisely and effectively. We owe them more than we can ever repay.

A teacher is like a candle---each consume themselves in giving light to others.

Come along for a visit with our faculty and administration.

BOARD OF SCHOOL TRUSTEES

These gentlemen are responsible for the overall management of our entire school system. They are from left to right: Carl Dalrymple, secretary, James Wittner, president, and Victor Kress, treasurer.

OUR COOKS: From left to right: Mrs. Rosa Fendel, Mrs. Elizabeth Snyder, Mrs. Christine Masters, Mrs. Marie Niemczyk, and Mrs. Ann Scheiber. The ladies prepare all the meals for some 700 people every school day. This food is sent to Franklin and Newman, also. Here are a few items and the amounts used each normal day: 100 pounds of meat, 30 cans of bean, corn, or peas, 60 pounds of navy beans, 100 pounds of cabbage, 60 loaves of bread, and 700 pints of milk.
