iAmDedicated

The Senior class dedicates the 2008 Notlennac to Mr. Gale Garner.

Mr. Gale Garner joined the Cannelton staff at the start of the 2006-07 academic year as counselor. In the 2007-08 year he served as Dean of Students. He was chosen by the senior class for this dedication because of his calming effect, counseling abilities, and consistent mild manner. The class says, "He's just a really nice guy."

^The whole team practicing before the tourney.

Whitney and Stephanie waiting for their turn.

Starting the volleyball season with a new coach, the girls' JV and Varsity teams were starting fresh, hoping this year they would improve. Well, the girls were in luck. They had a lot of great comments about their season. People noticed how much they had improved and, even though they were so young, they still displayed school spirit by going out on the court and giving it everything they had.

The Year in Basketball

This year's basketball team put out a tremendous performance. The varsity team ended the year with a 9-11 record. The team could have had a winning record, but faced close games where they didn't come out on top. The team was still able to match the best record since the 1989 basketball season. What an accomplishment!

The junior varsity had a 7-9 record.

Girls Varsity Basketball

Whitney Nugent, Devin Lockman, Brooke Powers and Chelsea Johns warm up before a game.

Last year, we finally came together as a team and ended up as sectional Runner-Up. But we graduated four seniors that were a huge part of the team, and we knew we had a lot for which to make up. For our 2007-2008 season, our team consisted of one junior, three sophomores, and four freshmen. We were a very young team, and sometimes it was hard to compete with older, more experienced teams. We had a lot of fun; we joked around and really got along. We truly felt like we were a team. We worked hard in practice, and even harder in games. We knew our hard work had finally paid off when we won 3 games. We were all proud of what we accomplished with such a young team. Most of our team will be back next year, and we're gaining three freshmen next year whose middle school team lost only one game. We're all looking forward to an even better and more exciting season next year!

Jaci and Stephanie take their turns at bat.

After losing our whole infield, except our pitcher and catcher, we knew our 2008 season would definitely be a rebuilding year. We were a pretty young team, and some girls had never even played softball before. We also didn't have any home games, which made it even harder. But we practiced hard and played together. We didn't win many games, but we laughed so much; we had a lot of fun. One highlight of the season was winning one of our few JV games, against Crawford County. We don't have any seniors, so our whole team should be back next year. We're looking forward to an even better season next year!

This years Cross Country team had a better turn out in numbers than the last couple of years. Varsity had a lot of freshman boys that the team is looking forward to seeing move up and become great runners by their senior year. Middle High had a good number of boys and girls this year, too. All in all, the team gave it their best. The new running distance was tough, but the team represented our school very well. 2007 was a great year for our Cross Country team.

2007 was an amazing year for track and field as well. The girls team definitely proved themselves this year as they won their first win in 26 years. Everyone was very proud of them, and they received a lot of support from the school and the community. We look forward to seeing how much they improve next year!

iCelebrate

Heritage Fest

A first for Cannelton this year was the Heritage Fest. The celebration honoring Cannelton's past was held downtown on October 13, 2007. There were booths, games, and food and beverage vendors. There also was a stand to paint your own pumpkins. The Heritage Fest is a family fun festival that is surely to go on for years to come.
