## Class History

Listen my friends and you will hear about our class that we love so dearly!

It all happened in 1953 when 53 squirming infants entered Cannelton High School to make their home for the next four years. Several weeks were spent watching our superiors and learning how to survive through the locker jams and the mad rush for lunch. We soon learned the knack of doing things. Class officers we chose were Larry Reed, president; Carl Elder, vice president; Kay Gilbert, secretary; Marion Spencer, treasurer; and Alice Schurtter, historian. Sponsors were Miss Damm and Coach Hafele. Dorris Holland, Pat Wint, Marion Spencer, and Kay Gilbert helped to cheer our basketball team to victory. Student Council members were Jon Harper, Peggy Fiedler, and Carl Elder. When the year ended, some received awards of special recognition--Peggy Fiedler and William Myers, Socialistic; Kay Gilbert, Activity; Bill Wagner, Sports.

After three months of recuperating, we were ready to start another year of being underdogs. Only this time our nickname, silly sops, fit us much better than our nickname of "greenies" the year before. Our officers were Carl Elder, president; Peggy Fiedler, vice president, Linda Taylor, secretary; Marion Spencer, treasurer; and Alice Schurtter, historian. Mr. Backer and Coach Ramsey were sponsors. Loren Harding, Jon Harper, and Peggy Fiedler were on the Student Council. Since we were getting rather old, it was time to start a little treasury. One day we really had our paws in the suds. We had a lot of fun and hard work washing cars in the park. We made a nice profit, too. Many of us participated in sports, band, and clubs at CHS. At the close of the year we enjoyed a day at Lincoln State Park.

At last we were juniors. Our class population had dwindled from 53 in our freshman year to 41. We were probably more active this year than in any of our previous years. Our sponsors, Mrs. Vaughn and Mr. Backer, helped us with many problems. Carl Elder, Linda Taylor, Marion Spencer, and Alice Schurtter were re-elected to their old offices. Denny Huber was elected vice president. For projects we had the magazine sales, concessions at basketball games, and another car wash. The purpose of these projects was to make money for the Junior-Senior Prom, "Blue Star," which was held at Hoosier Heights Country Club. Every once in a while one of us looked a little blue from making so many decorations. Peggy Fiedler and Lewis Snyder were on the Student Council. On Class Night Alice Schurtter received the Kiwanis Award for the most outstanding junior. Kay Gilbert, Peggy Fiedler, and Jon Harper were to attend Girls and Boys State. Alice Schurtter, Linda Irvin, and Lewis Snyder were their alternates.

Finally we attained the rank of seniors. After being seniors for a few weeks, we found that it wasn't too wonderful to be called "dignified," for we felt anything but dignified. Officers were Ottis Hale, president; Kay Gilbert, vice president; Linda Taylor, secretary; Bill Wagner, treasurer; and Alice Schurtter, historian. William Sampley and Alice Schurtter were on the Student Council. Mrs. Vaughn and Mr. Backer were sponsors again. During the year our government class went to Indianapolis to see the General Assembly in action. We enjoyed this trip for education and fun. Football queen was Pat Wint, and Dorris Holland was runner-up. Peggy Fiedler was basketball queen and Alice Schurtter was runner-up. Ten members of our class presented Spring Fever, our senior play. Thirteen seniors helped to make up the band, which won several honors. In May the juniors entertained our class with the Prom at the Hoosier Heights Country Club. Since all good things must come to an end, thirty-four students graduated from Cannelton High School on May 24, 1957, with knowledge to try to make this world a better place in which to live.

## Class Prophecy

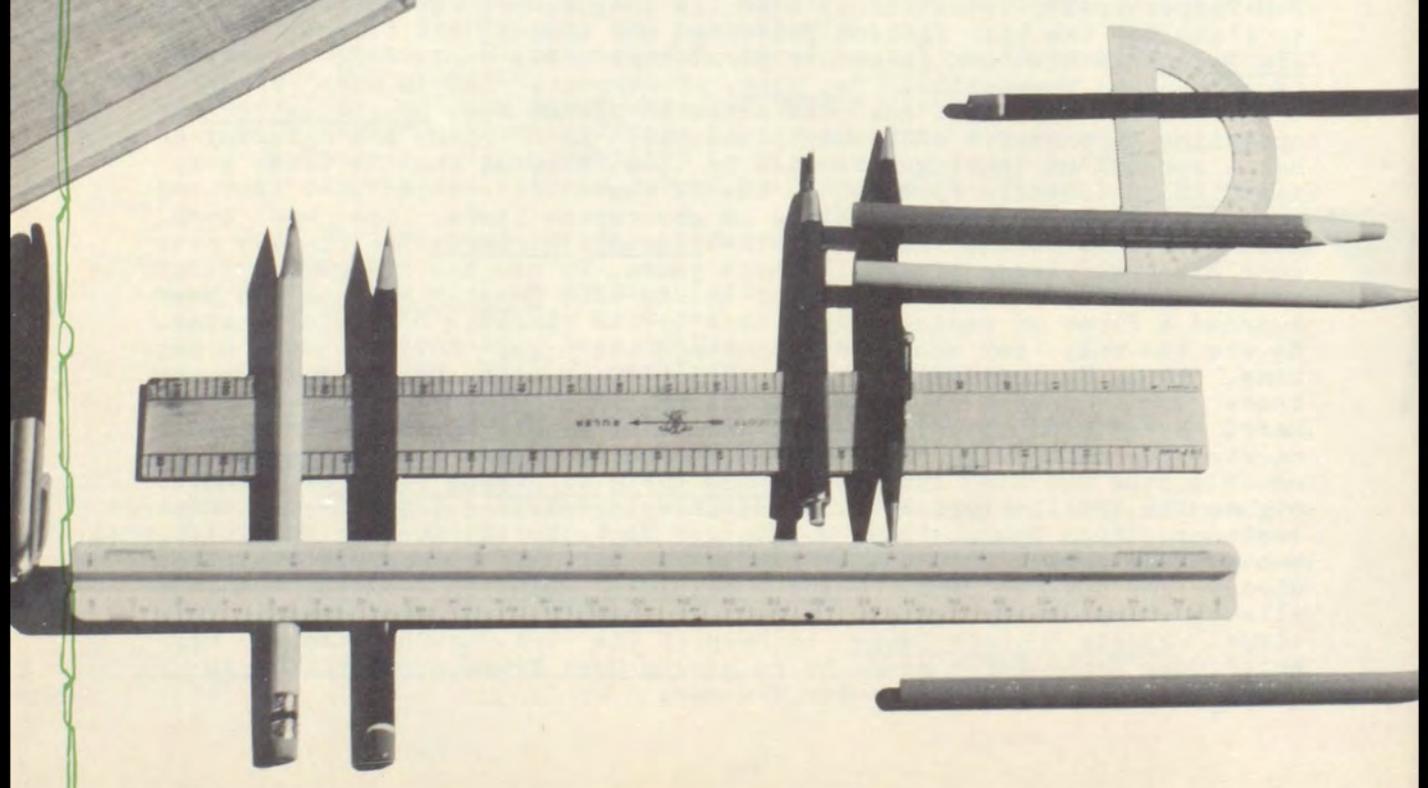

As I gaze into my crystal ball, I see we are in 1967. I'll look closer and see what has happened to the thirty-four dignified seniors in the past 10 years. Bill Sampley is still having trouble with his car. It didn't take long to find the trouble at Carl Shaw's garage. Carl just raised the radiator cap and drove a new car under it. Virginia Lee Chancellor is hopping along with Hopalong Cassidy on their jointly owned ranch out West. They are famous for their two-tailed cows. It is reported that "Chots" Poehlein, the mad trombonist, is driving the kats wild at Birdland, in New York City. Alice Schurtter finally got in cahoots with the "Donkey-Democrats." She has just finished a book entitled The Lies of the Democrat Party and the Truth That is Never Told. Charles "teddy Bear" Seibert is the sole owner of the Seibert Teddybear Factory in Japan. Margie Shown is number-one knife sharpener at the Kill-Em Dead Hospital located near Cliff Cemetery. Floyd "Satchimo" Freeman is now residing in Pinky's Alley in New Orleans. He has just returned from a trip to Tell City in his "Flying Nash". I see that Joan Stith finally got her hearts desire, a job as a beautician for Lassie and Rin-Tin-Tin. Carl "Dupie" Elder is now a great American scientist. Carl just invented a new radio-active kicker bomb to keep the students at CHS awake during classes. Loren "Speed Demon" Harding is quite famous around the speedways these days. He is always out in front to see who's ahead. Curtis Tate, the great motorcycle king, still lead his fleet of "Speeding Snails" from crash to hospital. Liz Polk and Ottis Hale feel like detectives these days. They really have a job taking care of their eighteen children. Jack Spencer, the local disk-jockey over W.T.C.J., is turning out those cool sounds daily. As he says, "man it's really the hammers to the slammers." Carl "Pee Wee Ace" Paulin took over the position of head bell boy down at the end of lonely street at the Sunlight Hotel. It seems that he became heartbroken after the State Highway Department moved Derby to California. Dorris Holland is in strong competition with Peggy Fiedler these days. They are trying to see which one can recruit the most members for an old maid's club. Dorris is in the lead but I'm sure that Peggy's old friends on Deer Creek won't let her down. Jon Harper really looks snappy with his long beard. He has been trying to shave for the past fifteen years and cut himself all fifteen times. Stu Walls has his own passenger plane that makes daily flights between Cannelton and Hawesville. Pat Wint, stewardess, had so much trouble with cars and cops that she just rides in planes now. Darrel Seibert is operating at the site of Nu-Way cleaners. Each Friday and Saturday he has a special on leaving more dirt in the clothes than he takes out. Kay Gilbert recently appeared on the TV show "Win or Else". She lectured students on how to salvage points on government tests. She has been noted for this ability for some time. Clarence Richards has finally over come his bashfulness after all these years. He now has a harem of forty beautiful women and all the grapes he can eat. Chester Mathena has been awarded a fleet of radio-equipped cars by the Starlite Drive-In Theater. He was the only boy who could announce the right movie at the wrong time. Linda Taylor is in strong competition with Mr. John Malcomson these days. Linda owns a Super-Dooper Department Store in Rocket City, Mars. Larry Reed is often seen standing on Lyon's corner. Since he is married, he is his old "Self" again. The world famous Bill Wagner is now coach of the Shooting Infants. Linda Irvin and Carol Seibert, talented big mouths of all time, make up his cheering section. The report has leaked out that Lewis "Play Boy" Snyder mentally ill nuclear physicist, has escaped again. It seems "Lew" went off his rocker shortly after discovering the "W" Bomb. Ralph "Crazylegs" McIntyre won the college allstar championship again. He made the twenty-five yard dash in five steps. Willie "Chief" Downs is head of the Cha-Cha-Cha Indian Reservation. Denny Huber seems to be giving Gene Krupa a rough time in a battle for the world's champion drummer.
