~ School Song ~

We'll be true to the school that we love so well
May her praise ever we will sing
In our hearts may our thoughts ever fondly dwell,
Thee our hopes and our wishes we bring

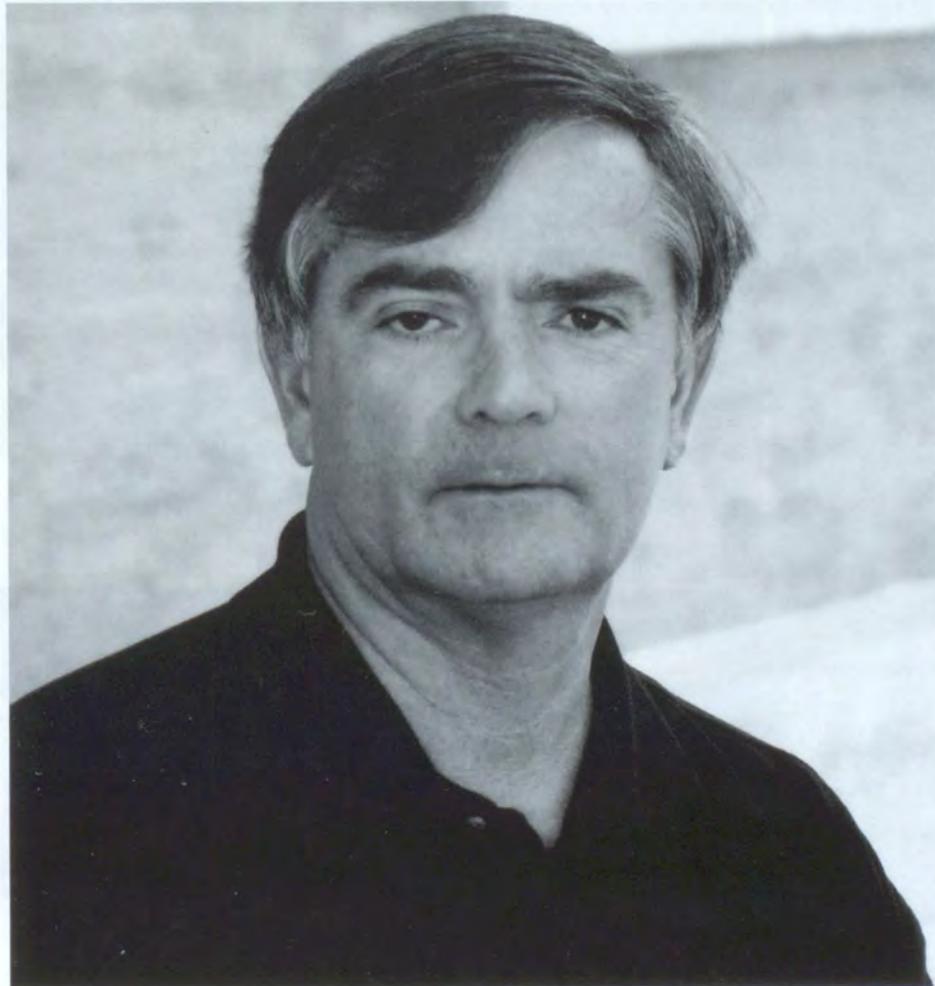

There are schools other schools that are far and near,
But the best is the CHS!
To your colors we'll be loyal,
To your name we'll bear our everlasting faithfulness!

Learn & Serve: (Left to Right) Mr. Moskos - advisor, Dillon Powers, Tyler Aud, Nakaa Myers, Beth Horner, Vanessa Polston, Amber Baumeister, Amber Patterson, Shy May, Erin Schneider

Learn & Serve is an after school program in its first year at Cannelton. The group is student ran and operated. We were able to set and achieve goals for our program this year. One of those goals was to improve our community. We achieved this goal by helping out during the annual Dogwood Festival. Another of our goals was to create things for youth to do after school. We were able to accomplish this goal by setting up a program for students to learn line dancing. Students later performed the line dances they learned during a Varsity Basketball game. We look forward to another great year of improving our school and community in 2005-06.
