Take Down!!!

One could tell that wrestling season was approaching when some of the team members went from pizza and milkshakes to salads and diet cokes. As Dave Schank replied, "It is hard to keep your weight down; you just have to quit eating and run alot." Todd Stephens explained that "to build up your strength you have to lift weights and eat a great diet."

Tell City finished with a 709 record in dual meets. Coach Morton commented, "The team did really

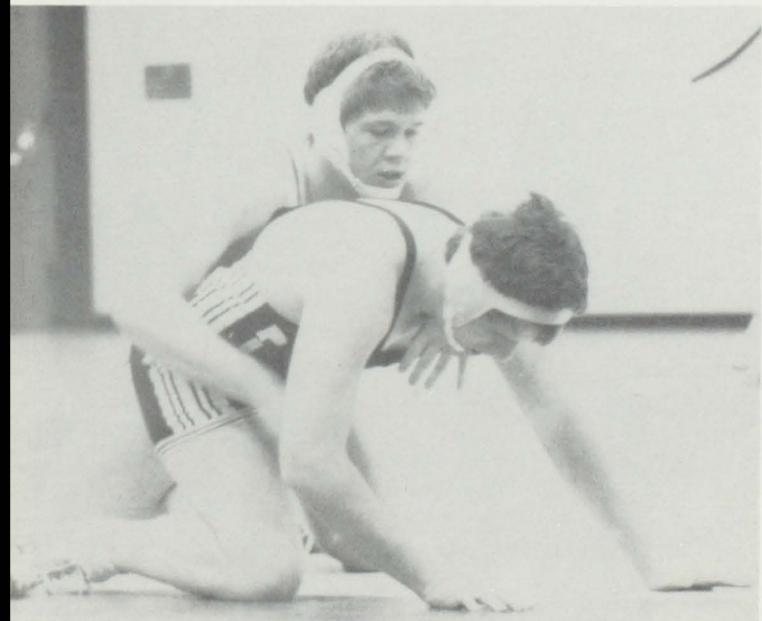

good this year; they started off with the same numbers as they completed." At the beginning of the season Dave Schank expected to work hard enough to win sectional regional, and go to state. Only two wrestlers had previously made it from regional to semi-state, but this year there were three who made it. The senior wrestlers who qualified were David Schank, 2nd place; Tim Davis; and Chris Kincaid. Chris stated that "he was really worried

about catching the flu since there had recently been a bug going around." Trying to get ready for the exciting day, Tim told us that he was "going to really concentrate on take downs and lift weights." At semi-state in Seymour, Tim Davis and Dave Schank lost, while Chris Kincaid earned a place at state having placed fourth. Kincaid ended up losing in the opening round with a score of 12-8 to the eventual state champion.

Advancing Players

Baseball practice started with aerobics and weightlifting. As Scott Wilgus replied, "We came to practice everyday to get better prepared for the game and we lifted weights to build our muscles up." The new wiffle ball machine, Dave Schank said, "has helped us by advancing our hitting ability." Ronnie James thought that the Big 8 was the most exciting game played. During the big 8 Conference, Dave Schank had a spectacular experience by striking out 20 Vincennes batters.

Batting leaders were Jerry

Weatherholt .474, Bart Mulzer .469, Greg Kincaid .333, and Chris Kincaid .298. The fielding was just as good with Dave Schank and Chris Kincaid with a 1.000 and Jerry Weatherholt .947. The base leaders were: Bart Mulzer .672, Greg Kincaid .518, and Jerry Weatherholt .508. Dave Schank pitching 50 2/3 innings allowed 7 earned runs for an E.R.A. average of 0.79. Varsity record as of May 13 was 10-6 and 4-1 in the Big 8 Conference which tied them for 1st.

There was no information about the reserve team.

While the reserves are practicing, the varsity members Dave Schank, Brett Hagedorn, Bart Mulzer, Todd Stephens, and Stace Kratzer wait for the arrival of Heritage Hills.

Playing number 2 doubles, Krista Blunk and Sara Alvey lost to North East Dubois.

After securing number 1 singles, Danielle Dauby (right) and her opponent volley on April 24. Other positions were still up for grabs, but in this match Jill Jarboe (left) plays in the number 2 position.

Technique's the Name

Under a new coach, Mrs. Backer, the tennis team began to show their "stuff". Some had to adjust to the new coach, while the majority were adjusting to being on a tennis team. "This year's coach worked more on technique than conditioning," said Danielle Dauby.

At the beginning of the season most of the positions were up for grabs. Danielle Dauby, number one varsity singles, didn't have any worries. She had already secured her position. As the season progressed members of the team were able to challenge each other for positions.

At the end of the season number two singles was Julie Goffinet, number three singles was Jill Jarboe, number one doubles were Shellie Rodgers and Jane Hoch, number two doubles were Dawn Schauburger and Krista Blunk. The leading players were Danielle Dauby and Julie Goffinet. These girls ended up with a record of 4-9. Award recipients were unknown as of May 16.

Front Row: Shannon James, Stacey Biedenkopf, Mary Schaefer, Bobbie Werne, Mary Peter, Shellie Rodgers, and Sara Alvey. Row 2: Danielle Dauby, Lorna Foster, Becky Raider, Kena Stephens,

Dawn Schauburger, Mary Beth Daum, and Jill Jarboe. Row 3: Lahna Seamon, Julie Goffinet, Jane Hoch, Krista Blunk, Jennie Holtzman, and Coach Backer.

Playing Despite Weather

Running and weight lifting kept the players in shape. John Stiles tied for medalist honors as the Marksmen defeated Hancock County 164-176 in varsity golf. John Hoch shot a 2 over par 37 for medalist honors on the Hoosier Heights Country Club course. "It's a golf course you need to play more often than once a year to be any good at it," Coach Clark added.

Earl Borders was the most improved player. Sam Schaefer was most helpful in aiding the new players. "John Hoch and John Stiles," added Coach Clark, "have the strongest attitude about continuing golf next year."

Adding a personal touch to their clubs, John Hoch and John Stiles protect their clubs with a chicken, alligator, and duck covers.

Teeing off on hole 1, Sam Schaefer plays his first match of the season.

Forty degree temperatures bring team members Jeff Johnson, Ray Fischer, and Jeff Cronin inside as they wait for South Spencer to arrive at the country club.

Record Breaking Year

Despite the cool and rainy weather, the track team managed to achieve their goals of breaking school and personal records. Senior Kim Batie shattered the discus record with a throw of 115'6". Sally Malone broke the 800 meter record with a time of 2:25.13. Connie Howland broke the 1600 record with a time of 5:13.28. Ami Wicker performed well all season going undefeated in the 100 meter low hurdles until placing second, two hundredths of a second behind

Jasper. The 1600 meter relay team: Michelle Evrard, Michaeline Borders, Sally Malone, and Connie Howland set a new time of 4:23.69.

Most of the athletes set and reset their own personal records throughout the seasons. They are losing three seniors. (Times are as of May 11, 1986.)

A grimacing Ami Wicker strains for a good jump over the hurdles. She came in first place in this event.

Coach Busse explains the starting positions to Tell City teammates Ami Wicker, Kristy Black, Teresa Linnie, and Mikki Stiff before running the 400 relay against Forest Park.

Kim Batie is third on the Southern Indiana Honor Roll for girl's shot put.

Front Row: Michelle Evrard, Teresa Linne, Rebecca Smitley, Kristy Black, Mikki Stiff, Courtney Busse. Row 2: Sherri Luecke, Lisa Freeman, Tammy Peter, Connie Howland, Ami Wicker. Row 3: Coach Busse, Michaeline Borders, Sally Malone, Kim Batie, Coach Hartz, Coach Bratton

Front Row: Wesley Stout, Don Benningfield, Rodney Crawford, Robert Sherry, Brad Ramsey, Kevin Zuelly. Row 2: Brian Busse, Kevin Gramelspacher, Brad Morton, Cecil Schirtzinger, Craig George, Bill Holman,

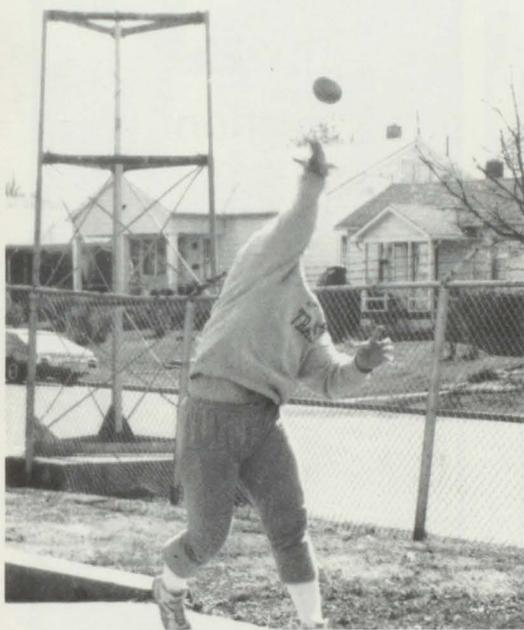

Mike Reed, Rick Arnold. Row 3: Coach Hartz, Coach Busse, Dan Quick, Brad Eberle, Matt Bruner, Kevin Malone, Jeff Pruitt, Nick Goffinet, Coach Bratton.

On the Road

Due to the poor condition and the non-standard size of our track no boys track meets were run here this year. Despite never having the "homefield" advantage, the 20 member team had some outstanding performances this season. Junior Craig George led the team throwing the shot and the discus. He was voted the most valuable field event performer for the season and for the Evansville relays. Freshmen Bob Sherry broke a 19 year old 110 high hurdles record with a time of 17.21, and Kevin Zuelly broke the Freshman 100 meter dash record with a time of 11.52. The team ended the season with nine sectional qualifiers. (All results are of May 11, 1986.)

In order to stay on top in the Southern Indiana Track Honor Roll, Craig George works with the shot, as Kevin Zuelly and Robert Sherry run conditioning laps.

Stretching out all the necessary muscles is a very important part of warming up in order to prevent strain and other injuries. Senior Matt Bruner warms up before practicing high hurdles.

Junior runner Rick Arnold strides "sprint straights" as part of his on-track training.

PEOPLE

Students, teachers, and faculty members set the atmosphere with their own contributions to TCHS. Some standout memories of the people of TCHS were recorded. Freshmen Boy Scouts discovered the meaning of adventure in Philmont, p. 117. Mr. Byrd and Miss Town completed their final years of teaching at TCHS, pp. 124 and 127. The Junior class made it through what most say is

the toughest year of high school, p. 102. Class rings and jackets continued with the years of past, p. 112. Sherri Luecke kept on her toes this year with the challenge of maintaining excellence at swimming, running, and grades. On pp. 130 and 131, we took a look at how the Seniors of 1986 began. These are just a sample of those who contributed to the uniqueness of TCHS.

Most students at TCHS take study hall to shorten the work load. Others feel it is a break in the day. These students seem prepared for their next class after 53 minutes of work.

Seniors Commence

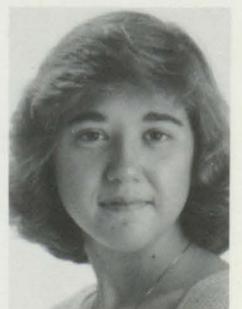

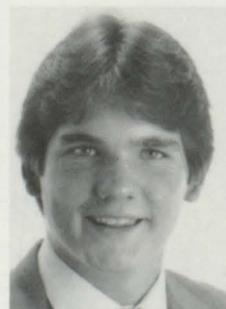

The seniors of 1986 helped the new year begin smoothly. These seniors decorated the halls with signs conveying a warm welcome to the incoming freshmen, returning TCHS students, and faculty. Their contributions to the increase in school spirit was relayed to the rest of the student body with the emergence of the "nerds" and "Fan Klan."

Forty of the 138 seniors found a cure for the outbreak of "seniorities": mid-term graduation. The majority of those who chose to go on to higher education found that IU and USI satisfied their needs. Each one's schooling was not thought of as an ending, but it is a new life beginning.

Seniors Commended

By taking the PreScholastic Aptitude Test (PSAT), Brian Busse and Libby Howell participated in the National Merit Scholarship program.

Brian and Libby were commended for placing in the top five percent, 15,000, of over one million people who took the test. Of the 15,000 semi-finalists, 13,500 are named to receive certificates of merit. The 5,800 awards

offered are worth twenty-one million dollars. Forty percent of the finalists receive a scholarship for some amount.

The two items Libby and Brian agreed on were that neither one studied for the test, and both were very satisfied for doing so well and receiving national recognition.

Fan Klan Takes Action!

Giving high five to basketball players and running through the basketball hoop first, which traditionally has always been a basketball player, are just a few things the FAN KLAN has done before a boys' basketball game.

School spirit has been low in the past few years, but the enthusiasm of the FAN KLAN's Greg Sanders, Mark Roberts, Ray Fishcer, Jeff Cronin, Sam Schaefer, Brett Poole, Matt Bruner, and Todd Stephens has motivated the team and encouraged other fans to become more involved. They occasionally held up newspapers as if they were reading them when the opposing team was being announced. Also, they took initiative and lead many chants.

The FAN KLAN have worn many outfits at ballgames to individualize themselves, such as: Hawaiian shirts, togas, suits with tennis shoes and sunglasses, and T-shirts with a dif-

ferent letter on each member's shirts to spell out Tell City. They also have a mascot—Bill the Cat, which Sam Schaefer designed and printed on shirts for each.

When questioning a few members about how they got started Greg Sanders stated, "Just getting together and going to all the games, we decided to be different and build some spirit up. That's when we decided on calling ourselves the FAN KLAN." Trying to be different is a challenge for anyone. Greg also commented, "We never were embarrassed or nervous to try the things we did. We don't care what people think. All we care about is getting everyone fired up and supporting the team."

As the years go by, the enthusiasm and school spirit the FAN KLAN has provided will be always remembered.

Posing for the yearbook are a few members of the FAN KLAN. They include members Greg Sanders, Matt Bruner, Jeff Cronin, Brett Poole, and Sam Schaefer.

"The Best of Times"

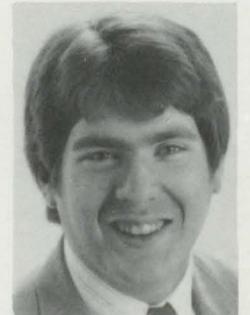

High school alumni have been quoted time and time again as saying, "Your high school years will be the best times of your life, and they wouldn't trade them for the world." Seniors found themselves reminiscing when asked what their most memorable moments at TCHS were. Dave Schank remembers his freshman year when the lights went out and he used a whole notebook to make paper airplanes. Julie Goffinet remembered during her career in band how the Marching Marksmen made

it down the East coast from New York to Washington D.C. and Miami. Kim Batie's most memorable moment was winning the volleyball sectional her junior and senior years. Jeff Pruitt will never forget dressing up as a cheerleader at the Boonville sectional pep session. Brian Busse's most memorable moment was with Dave Schank in freshman Physical Science: Mr. Barnett's shoes, the turtles, and the stars. These special moments were recorded in the backs of seniors' minds.

Having obtained their jobs at McDonalds while attending TCHS, midterm graduates Robin Morris, Kim Shreve, and Monica Young now work full time.

Workin' Hard for the Money

A growing number of seniors have taken jobs for various reasons. The most common reason of getting a job among those interviewed is to earn extra money. Unlike most of the seniors polled, Sam Schaefer got his job at Haunstein's in order to use his artistic ability to make t-shirt designs for screening. Sam hadn't thought about getting a job before this opportunity arose.

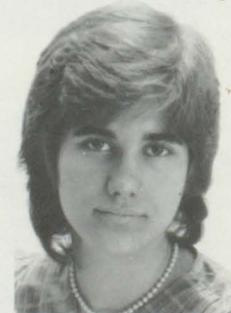

There are a variety of positions filled by seniors: sales clerks, waiters,

waitresses, stock boys, delivery boys, tutors, babysitters, and many others. They work an average of 23 hours per week, usually until nine or ten o'clock at night. Long hours on the job make it difficult to finish homework or study for important tests. But, despite these demanding schedules, most of the seniors interviewed said that their jobs do not interfere with their school work. As Jon Goffinet said, "I do my homework in study hall and I study, if I have to, after work."

The Thrilling Life of a Junior

The words "jolly junior" have been used to refer to those in grade 11, and why not? They had many new and exciting things to experience.

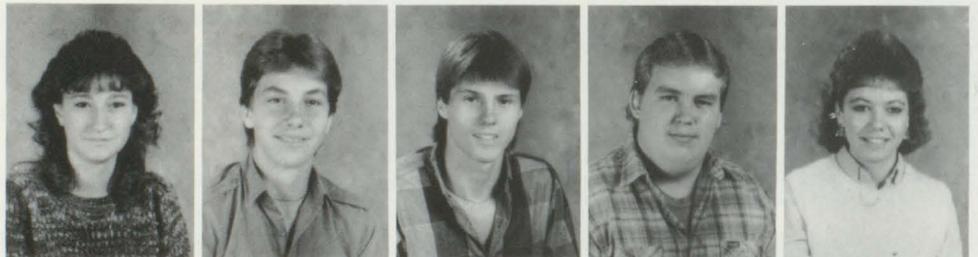

The greatest thrill seemed to be the prom. But, there was more than just fun involved. Selling magazines has been one project for the Junior class. The need for money drove people like Jeff McKim to sell eighty three magazines for a total of \$972.61!! He

was rewarded with prizes including a 19" T.V.

Juniors had grade point averages to think about. A 3.3 average determined whether they made the honor roll. Every six weeks an average of twelve students did just that.

The SAT was given May 3rd. These scores helped determine the college these juniors would attend.

Kirk Recovers

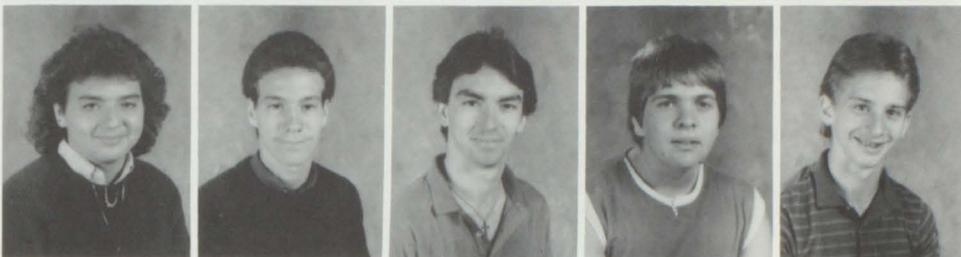

The summer of 1985 will always be remembered by Kirk Birchler. This was when he was struck with the rare disease called Guillain-Barre Syndrome. As a result Kirk did not return to school, but spent nine weeks in Owensboro Daviess County Hospital's Intensive Care Unit and was paralyzed for most of the time. After his release, he went to Frazier Rehabilitation Center in Louisville. During the spring, he took therapy at Perry County Memorial Hospital. Kirk said he doesn't like to go for therapy, but he knows it will help him to get on his feet again. Kirk wasn't disappointed that he wouldn't be graduating with his friends. "I'm lucky to be alive and have a chance to graduate at all." March 20th Kirk was busy planning his schedule with his mother's help in the TCHS guidance office.

Even though Kirk Birchler was paralyzed, he still got into Motley Crue.

Juniors—A Great Job!!!

This year's junior class had the second highest sales in the last eighteen years, with a \$9500 gross.

Mr. Day said, "You can tell the kids put their all into the sales from their great improvement!!!" It must have been easy for some. Angie Etienne said, "I enjoyed selling the magazines; it was a real challenge." "I thought it was fun selling them," added Janice Meunier.

The money not spent on the prom this year will be spent on the 1987 prom. Mr. Day added that he enjoys taking part in the sales.

Delegates Chosen

Each year the American Legion sponsors two boys and two girls from TCHS to attend Hoosier Boys' State and Hoosier Girls' State at Indiana State University in Terre Haute.

The purpose of these institutions is to educate young men and women in the duties, privileges, rights, and responsibilities of American citizenship.

Mr. Pride and Mr. Overmyer made recommendation for possible delegates to the Legion committee. The delegates for the June 1986 session are Tony Martoglio, Brad Slunder, Kim Oberhausen, and Danielle Dauby. The alternates are Mike Young, Craig Masterson, Jane Koch, and Jill Jarboe.

In order to attend, the delegates must be interested in government and history; be honest; be interested in people and public speaking; have good character; be in the upper third of their class; have completed their junior year in high school; and respect the American flag.

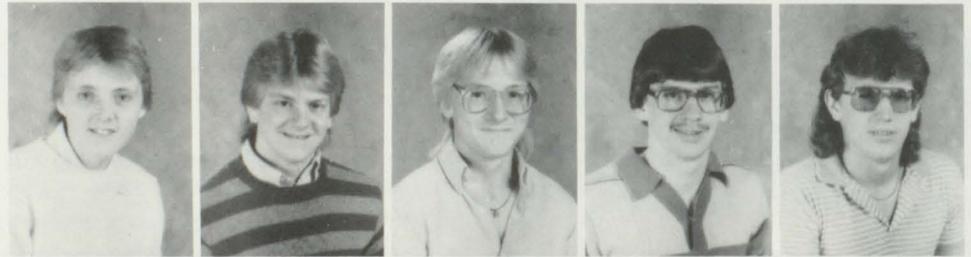

The Hoosier State Delegates for 1986 are Tony Martoglio, Brad Slunder, Kim Oberhausen, and Danielle Dauby.

Sophomores Mature

The Sophomores of '86 were excited about receiving their licenses, class rings, and class jackets. While Lisa Waninger counted down the days until she received her license, David Hebeisen took a sigh of relief. His parents would pay the \$86.00 for his class ring. Not being treated like a child so much this year made Roxanne Miske enjoy her sophomore year more than her freshman year. Becky Raider played a little on the varsity basketball team this year, and this made her year very important. The members of this class are looking forward to their junior year since they will not have to climb the dreaded steps to their lockers any longer.

Athletic/Academic Star

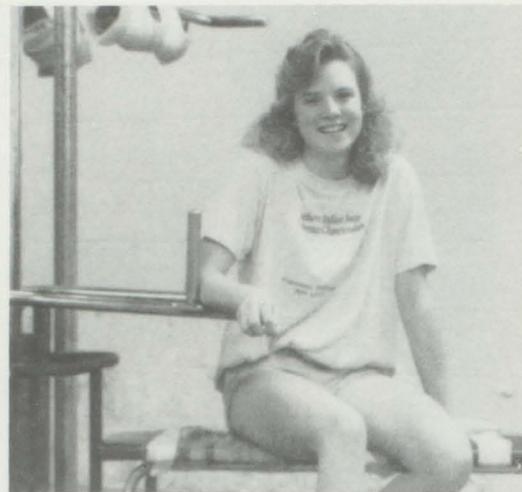

In the weight room at Legion Field, Sherri Luecke gets ready for her track workout for the day.

Striving to do her best in everything, Sherri Luecke accomplishes much. "I think that if my parents pushed me to do the very best, I would not enjoy it as much," commented Sherri, "but they do encourage me."

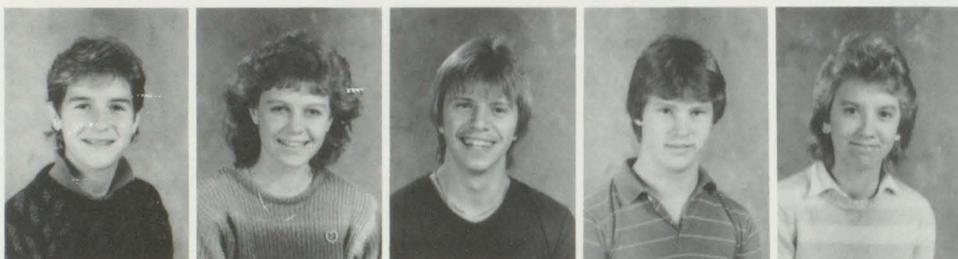

Maintaining a 3.294 average after three semesters keeps her very busy. In addition, athletics fills much of her time. Swimming and track are two sports she excels in. When asked how excited she felt when finding she quali-

fied for state in both events, Sherri replied, "I was surprised ... surprised and enthused!" She enjoyed being at state competitions.

Intending to go to college, her athletic involvement is uncertain. "It mainly depends on my grades and time." Now it is sometimes difficult to fit studying and friends into her schedule between daily practices and meets. As for the next two years, she plans to continue with his hectic pace!

A Tradition

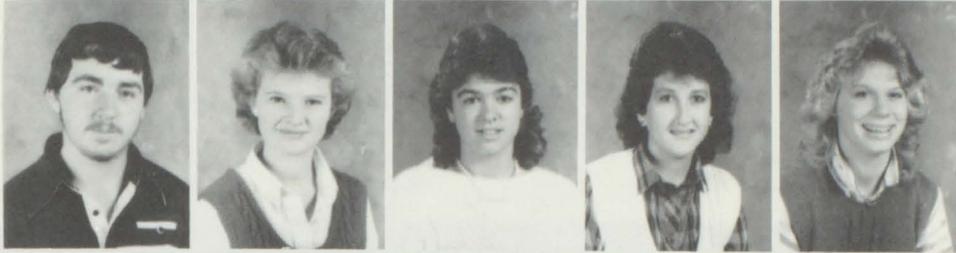

Sophomores are always anxious to order and receive their class rings and jackets.

Class rings are manufactured by Jostens with a special TCHS emblem. Two styles of rings are offered: the regular achiever and the after five collection. Among sophomore girls, the after five collection is more popular. Yellow gold also is a favorite among tenth graders. The price ranges from \$90 to \$220 with yellow gold being the most expensive.

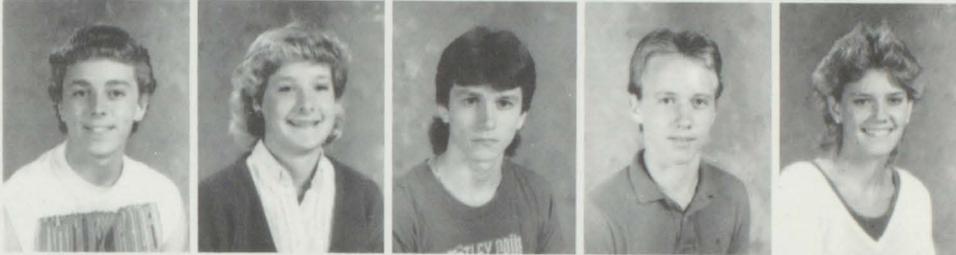

Sophomore spirit rose when the jackets were ready to be picked up. Having ordered them at the end of the freshman year, they get them in the middle of the sophomore year. There are four choices: leather sleeve, cloth sleeve, nylon, and sweaters. Nylon was the most popular this year. It was also the most inexpensive at \$45. The leather was the most expensive—\$110.

Freshmen Learn About T.C.H.S.

Freshmen class officers include Sponsor Mr. Baker, Vice-President Rebecca Smitley, President Krista Blunk, Treasurer Jamie Rice, Secretary Michelle Evrard, Historian Amy Hagedorn, Sponsor Mrs. Kramer.

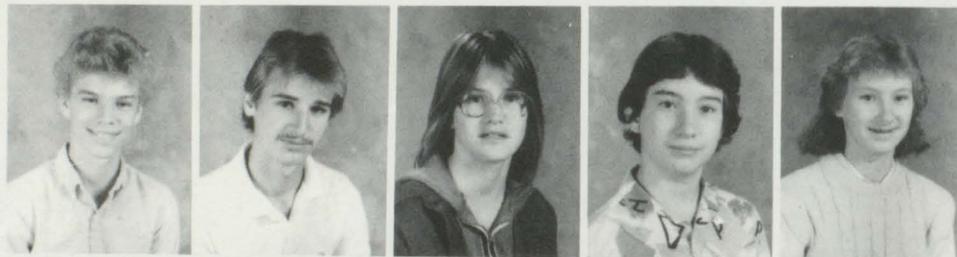

One hundred seventy-four freshmen entered TCHS this year. The first week they were busy learning the school rules by studying the school folder in English class. They quickly learned to stay in the cafeteria hall until the 7:45 bell rang.

At the pep sessions, they exhibited lots of spirit. Eventually they even won a contest during basketball season.

They showed great potential for achievement in the future. As for now, they are relieved to relinquish the title of "Greenie".

The Meaning of Adventure

Three of our freshmen boy scouts took a trip to Philmont, New Mexico the summer of 1985. Rodney Crawford, Eddie Coleman, and Bill Maddox, Jr. were the lucky ones.

Colorado Springs was the highlight of the trip. Upon arriving at Philmont, they stayed at base camp for one night. The next morning at 8:15 A.M. they went out on a trail for ten days. The total trip took seventeen days.

The purpose of the trip, chaperoned by Mike Shank, Ted Stone, and Bill Maddox, Sr., as told by the freshmen scouts was "to show us the meaning of adventure". Eddie Coleman's adventure was seeing a bear at Colorado Springs. Bill Maddox's adventure was going horseback riding in the rain at forty degrees. This is one trip they will never forget.

Taking a breather are freshmen scouts Bill Maddox, Jr. and Rodney Crawford.

Staying Active

Exercise, basketball, volleyball and swimming are just a few activities the freshmen P.E. classes do everyday. Such exercises include: jumping jacks, sit-ups, toe touches, and push-ups. They also watch films on physical fitness.

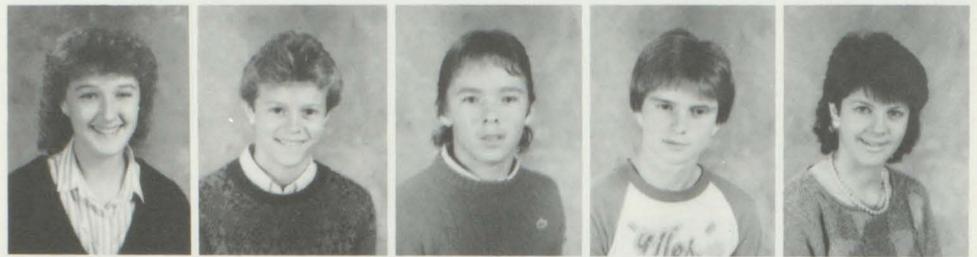

P.E. is required, and it is taught by Ms. Patterson, Mr. George, and Mr. Page. There are three classes held third, fifth and sixth periods. Each consists of about fifty students. The dress code is white T-shirts, white socks, tennis shoes, shorts.

When questioning several students those in third period tended to dislike P.E. more than the others. 10:00 a.m. seemed to be too early to be active. The girls didn't like swimming that early because their hair was a mess the rest of the day. The fifth period students coming from lunch found it difficult to be active when their food had not digested yet! They seem to accept P.E. as part of freshmen life; on the other hand, they were looking forward to life without P.E.!!!

After finishing their exercises, members of the fifth period P.E. class are getting ready to play wiffle ball.

Freshmen Favorites

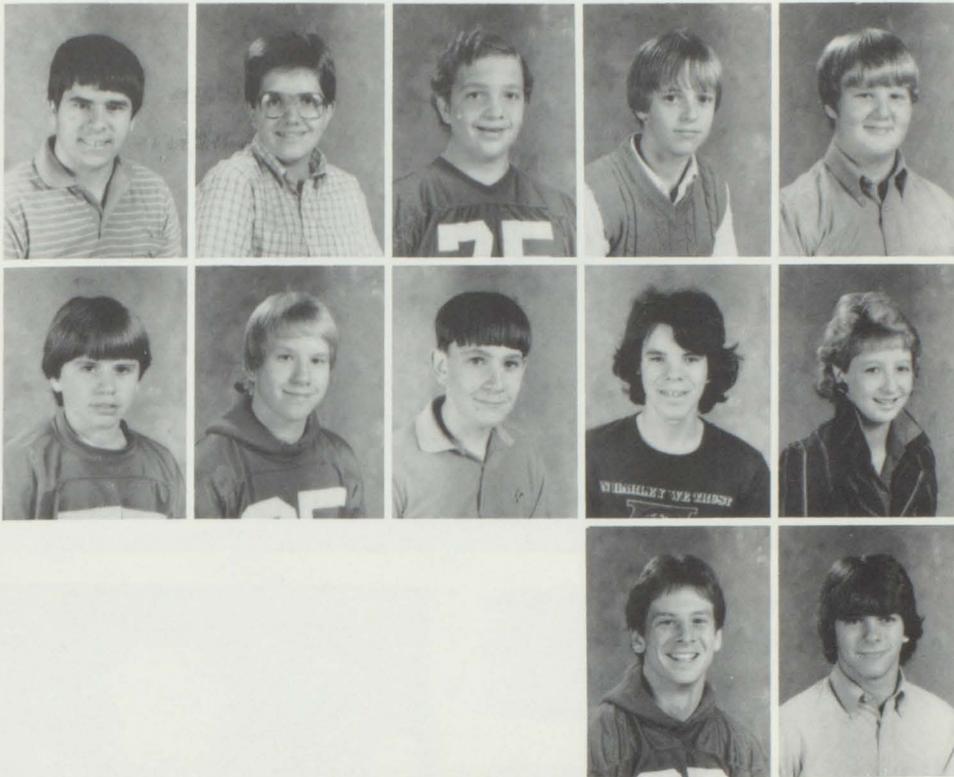

When a variety of freshmen were asked what they liked best about TCHS, some said they liked being able to go out for lunch. Others liked the choices of classes available to them. Those athletic types were pleased with the number of sports that were available to them compared to the number at the junior high.

Freshmen favorites differed from

student to student. Coy Zeully said he "enjoys playing football and attending varsity football games." "Getting out of class early for pep sessions" is what Amanda Cross liked best. Kelly Privette summed up his feelings with "you only have three more years to go!" Finally, one boy said, "I like to look at the girls!!!"

These freshmen wait patiently before the 7:45 bell in the cafeteria hall.

Freshmen Blunders

There are some freshmen that feel they could be a star on the T.V. show: *Life's Most Embarrassing Moments!*

These freshmen feel nervous because they wanted to make a good impression their first year at high school. Taking their first stroll down senior hall is sure a test of the freshmen's durability to face the consequences put on them by the seniors. Here are a few examples of exactly what can happen when you least expect it!

Lee Voyles—"I was in the wrong class for most of the period on the first day of school."

John Baumeister—"My most embarrassing moment was when a bunch of my friends put catsup in my chair and I sat in it!"

Tami Peter—"When I went to the library on the wrong day."

Corinna Kleeman—"When I

fell coming out of the shower in gym."

Carrie Reed—"I was at Epcot Center in Florida, and I had worn some cloth pants. I went around all day until finally someone had told me I had a hole in the back of my pants and had to go the rest of the day like that."

Angie Kellems—"I was walking down freshman hall and I tripped and fell down in front of a bunch of people."

Michelle Shephard—"When I was watching the Lakers play the Celtics, I was eating a piece of chicken about the time the Celtics scored. I jumped up and the chicken went flying across the room."

Connie Gelarden—"At a football game I walked into the boys' restroom and this guy was in there."

Tim Kling—"I dropped stain over the shop floor."

Administration

The School Board members are Mr. Jerry Fischer, Mr. Larry Kleeman, Mr. Stan Goffinet, Mr. Jerry Hoagland, and Mrs. Mary Weber.

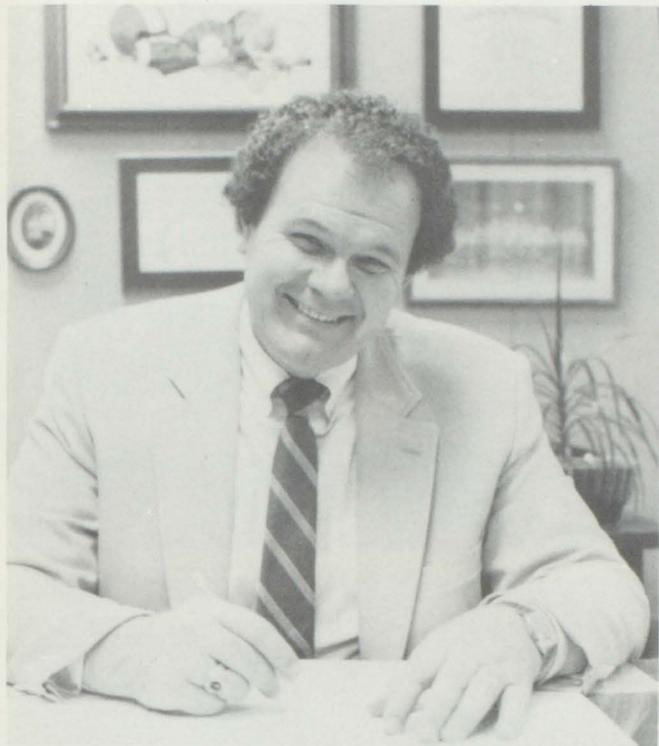

Central office staff are Mr. Meredith Rogers, Administrative Assistant; Mrs. Voila Arnold, Treasurer; Mrs. Margaret Bolin, Deputy Treasurer; Ms. Kaye Roberts, Receptionist/Secretary; Mr. William J. Wilson, Superintendent.

Mr. Joe Talley, Athletic Director; Mr. Murray Pride, Principal; and Mr. Mike Overmyer, Assistant Principal.

Moving On

Mr. Pride, principal of Tell City High School, will be leaving this year to move to Central Office as Assistant Superintendent. He said, "It was a very difficult decision for me. I looked upon it as an opportunity to become involved in the total school program from K-12. I have some concerns, just as I did when I left the classroom and coaching to become Assistant Principal, but I felt I had to give it a try."

Spending seventeen years at TCHS makes it hard for an individual to leave. Mr. Pride said, "I'm sure I will miss TCHS very much. I've spent seventeen years here

and the association with the staff and students has been very enjoyable. Not being directly involved with the day-to-day operations of the school will take some getting used to."

He is pleased with the cooperation he has had that enabled us to maintain an outstanding educational atmosphere.

He will miss the daily association with the staff and student body. In addition, he will miss the direct involvement with the activities and programs. However, he intends to now work for the betterment of all programs in the corporation.

The school secretaries are Mrs. Floretta Beatty, Athletic Office; Mrs. Becky Biever, Assistant Principal's office; Mrs. Becky Belcher, Principal's Office.

Pictured are Special Education Aide Mrs. Labhart, L.D. teacher Mrs. Martoglio, and also P.V.E. teacher Mrs. Lutring.

The Foreign Language teachers include: Mr. Hintzen, German; Mrs. Horn, French; and Mr. Baker, Spanish.

Mr. Blazey helps students find reading and reference materials in the library.

The Social Studies department includes Mr. Roos, Mr. Miller, Mrs. Scott, Mr. Hintzen, Mr. Carver and Mr. Morton

The English Department teachers include Mr. Miller, Mrs. Buckman, Mr. Waters, Mr. Spencer, Mrs. Kramer, and Ms. Peter.

The Science Department includes: Ms. Kuntz, Mr. Varner, Mr. Barnett, Mr. Byrd, and (absent) Mr. Richardson.

Farewell Mr. Byrd

TCHS's excellent Biology teacher is teaching his last year with the class of '88. When Mr. Byrd was asked what he was going to miss most about teaching he said, "First, the students—they are honest and they keep you young; secondly, the paycheck." Mr. Byrd is one of the lucky individuals with a great sense of humor. In teaching his classes he always tried to tell a funny story that would link to what the class was studying about at that particular time. In this way, he said the students remember the material better.

Painting signs for local business, such as the one he did last August for Towne & Country Realty, is one of Mr. Byrd's hobbies.

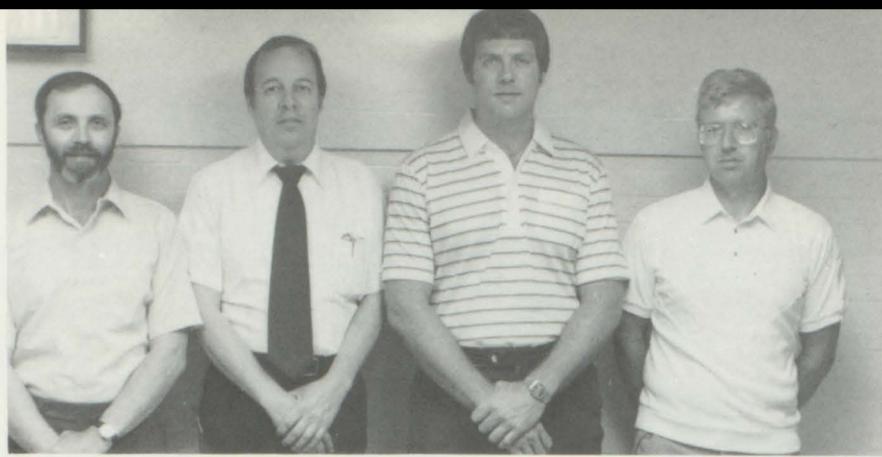

Mr. Byrd has been a member of the TCHS faculty for 21 years. But really he says, "37", because he started when he was three! As almost everyone knows, Mr. Byrd has a distinguished talent for painting and drawing signs. He has acquired the skill on his own. Mr. Byrd and his wife are planning on staying in Tell City after his retirement. There are not any "Big Vacation" plans in the near future. Life to Mr. Byrd is a vacation. "I have always taken life seriously, approaching everything I attempted with a serious mind."

Math Department instructors are Mr. Kramer, Mr. Kay, Mr. Alvey, and Mr. Hall.

Health, P.E. and Drivers Ed. Department include Mr. Katterhenry, Ms. Patterson, Mr. Lochmueller, and Mr. Page. Absent is Mr. George.

Vocational Department includes Mr. Hauser, Mr. Dauby, Mrs. Farmer, Mr. Murphy, Mr. Malone, Mrs. Holtzman, and Mr. Whitaker. Absent is Mrs. Doogs.

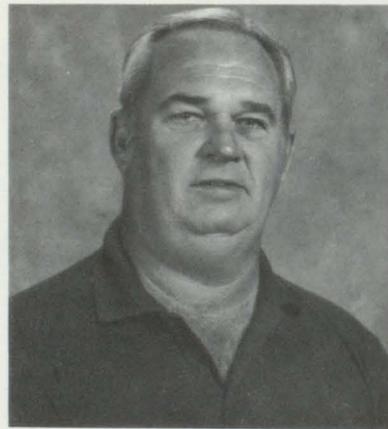

Coach George Made a Difference

Coach Bud George died on April 23, 1986. On that day Tell City High School lost a valuable teacher, coach, colleague, and friend. Mr. George taught and coached for eight years at TCHS.

It is said that teachers teach and coaches coach because of a burning desire to make a difference

in young peoples lives. Mr. George had that burning desire and he made a difference. It is with respect that we will remember his accomplishments as a member of this school's faculty. In addition, we remember those special times when he touched our lives.

The student Health Clinic is effectively run by Nurse Moman.

After twenty six years at TCHS, Ms. Town is leaving the teacher's parking lot for the last time as a member of the faculty.

The Business Department includes Mrs. Marshall, Mr. Busse, Mrs. Krieg, and Mr. Whitaker. Absent: Mrs. Farmer.

The Home Ec Department is run by Ms. Town and Mrs. Litherland.

Farewell to Tell City

After twenty six years of teaching at Tell City High School, Ms. Town is retiring. She came to T.C.H.S. in August of 1960. Ms. Town graduated from Western Kentucky State College with a Bachelor's Degree and from Western Kentucky University with a Masters De-

gree. Upon retirement, she plans to travel in the United States. Making her home in Glasgow, Ky., she is excited about the possibilities. Ms. Town states that it has been a pleasure to teach students at T.C.H.S.

Learning to Teach

Ms. Renee Kuntz has graduated from Vincennes University with an Associate degree in teaching. Upon completion of student teaching, she will graduate from the University of Evansville with a Bachelor's Degree. Ms. Kuntz chose the profession of teaching on the high school level because she enjoys working with teenagers. She remembered how difficult the teenage years were and would like to help young people through them by being an understanding person and a good listener. Teaching biology is her preference because she enjoys studying the human body and finding out what makes it work. She also wants her students to be able to understand how and why their bodies function. After student teaching, Ms. Kuntz has learned different techniques for controlling the classroom. Also she knows that planning is the key to efficient and stress free days.

She knows now more than ever that she has chosen the right profession because she has fun in class. She enjoys the atmosphere on good and bad days, and her job doesn't seem like going to work. Ms. Kuntz feels that she is a good teacher. She respects her students and expects the same from them. Most of all she tries to make learning fun by applying the studies to everyday life situations. She is presently considering working in the Indianapolis area.

Helping teens through their high school years is one of Ms. Kuntz's good intentions. Here she volunteers her time for the baseball team.

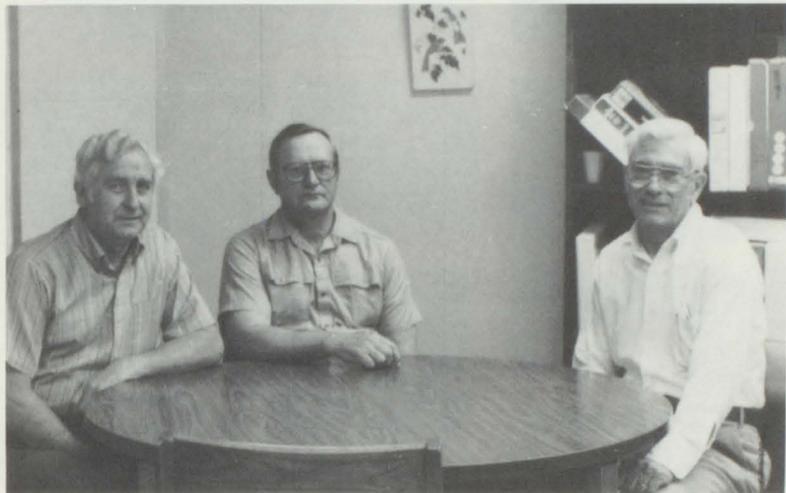

The custodians who maintain the building are Mr. Scott, Mrs. Herrmann, Mr. F. Kleeman, Mrs. Jacobs, Mr. Mallory, Mrs. Kleeman, Mr. Kleeman, and Mr. Adams.

Mr. Roos and Mr. Lowe, counselors, help students make scheduling decisions in the Guidance Department.

The cooking staff of the Red Apple Inn includes: Mrs. Kaufman, Mrs. Kaufman, Mrs. Conner, and Mrs. Brunner.

The Industrial Arts Dept. Include: Mr. LeClere, Mr. Hauser and Mr. Dyer.

The director of the Marching Marksmen is Ms. Barb Exline, and the assistant director of the band and the choral director is Mr. Barry Reasoner.

The Art Department is run by Mrs. Sitzman.

To The Staff of '86:

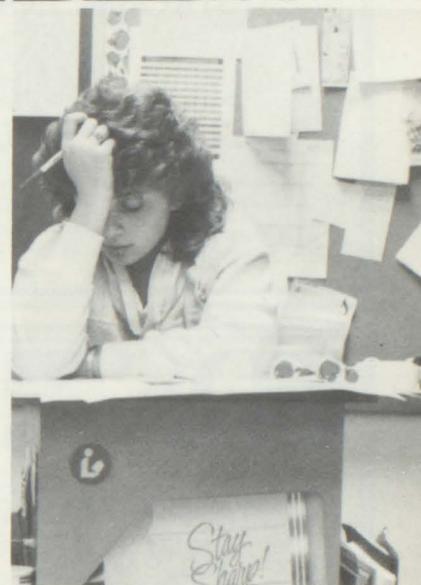

I hope you are as proud of this book as I am. Because of your energies, this book became a reality! Without each of you working together, it would not have been possible.

I especially wish to thank Michelle for the outstanding job she did as editor. Although you wondered from time to time what she was doing, I can assure you she was constantly busy keeping the staff together and productive. In addition, I appreciate the extra time each of the section editors spent in order to complete their pages. Thanks Jamie, Julie, Michaeline, and Misty; I know it wasn't always easy! To the rest of the staff I say thanks for making this a good year. I know there were times each of you had other things to do besides yearbook, but you came anyway. I appreciate your dedication.

Remember the good times; I know I will!

THE TRANSITION FROM AN ADOLESCENT TO AN ADULT.

TRAN - SI - TION ----- A movement, development or evolution from one form, stage or style to another.

As we evolve and develop, we find ourselves experiencing new experiences, altering our attitudes and opening our opinions. Our relationship to our environment is undergoing many changes. In general, we have to rethink the way we live - transition.

During this transitional process some of us will take on totally new characteristics while others will change more subtly. Some of us will resist any change at all.

Continuing our education will help us to plan and implement life strategies that will position us to take advantage of the changes that are taking place today and tomorrow. Whether it be on-the-job training or college, continuing your education will make your transition easier.

As the school year comes to a close. I considered the ways we came "alive". The seniors were moving on into the "real" world. The juniors were beginning to plan their last year in high school. The sophomores were looking forward to the first summer with their license. The freshmen were proud not to be known as the "greenies".

Tell City High experienced many changes. Our principal,

Mr. Pride, left the high school and moved to the Administration Building. We experienced the loss of a teacher and head football coach Mr. George. Two of our teachers announced their retirement at the end of the year. I would especially like to thank Miss Peter for giving me the chance to be the last editor to serve under her.

Editor: Michelle Hammack

On records day teachers were aware of the emptiness of their rooms since summer vacation for the students began May 29.
