Dear Old School

worms eye!

We're Mighty Proud Of You!

"Dear Old School" is a phrase that we have often repeated without giving much thought to it. Now that the school days of the 1949 seniors are limited, we realize that we have enjoyed the comradeship, the "troubles", the pranks, the punishments, the good times, and all of the little things here at T.C.H.S., although at the time some of the incidents occurred may not have seemed very enjoyable.

Realizing that these things are a part of our youth, a part we can never again experience in reality, we are striving to imbibe the spirit of these days—the faces and the fun—into this yearbook, so we may carry them into the future with us to cheer, encourage, and inspire.

This Sagittarius reflects the spirit of our high school as we knew it. This spirit was always present at the football and basketball games, the band contests, in the classrooms and in all of the school activities. We have felt this spirit from the day we first registered as green, scared freshmen until the day we marched proudly down the aisle with our diplomas, knowing that the precious days were over. May this spirit live on in our Alma Mater and continue to grow so that we can always say, "Dear Old School, We're mighty Proud Of You!"

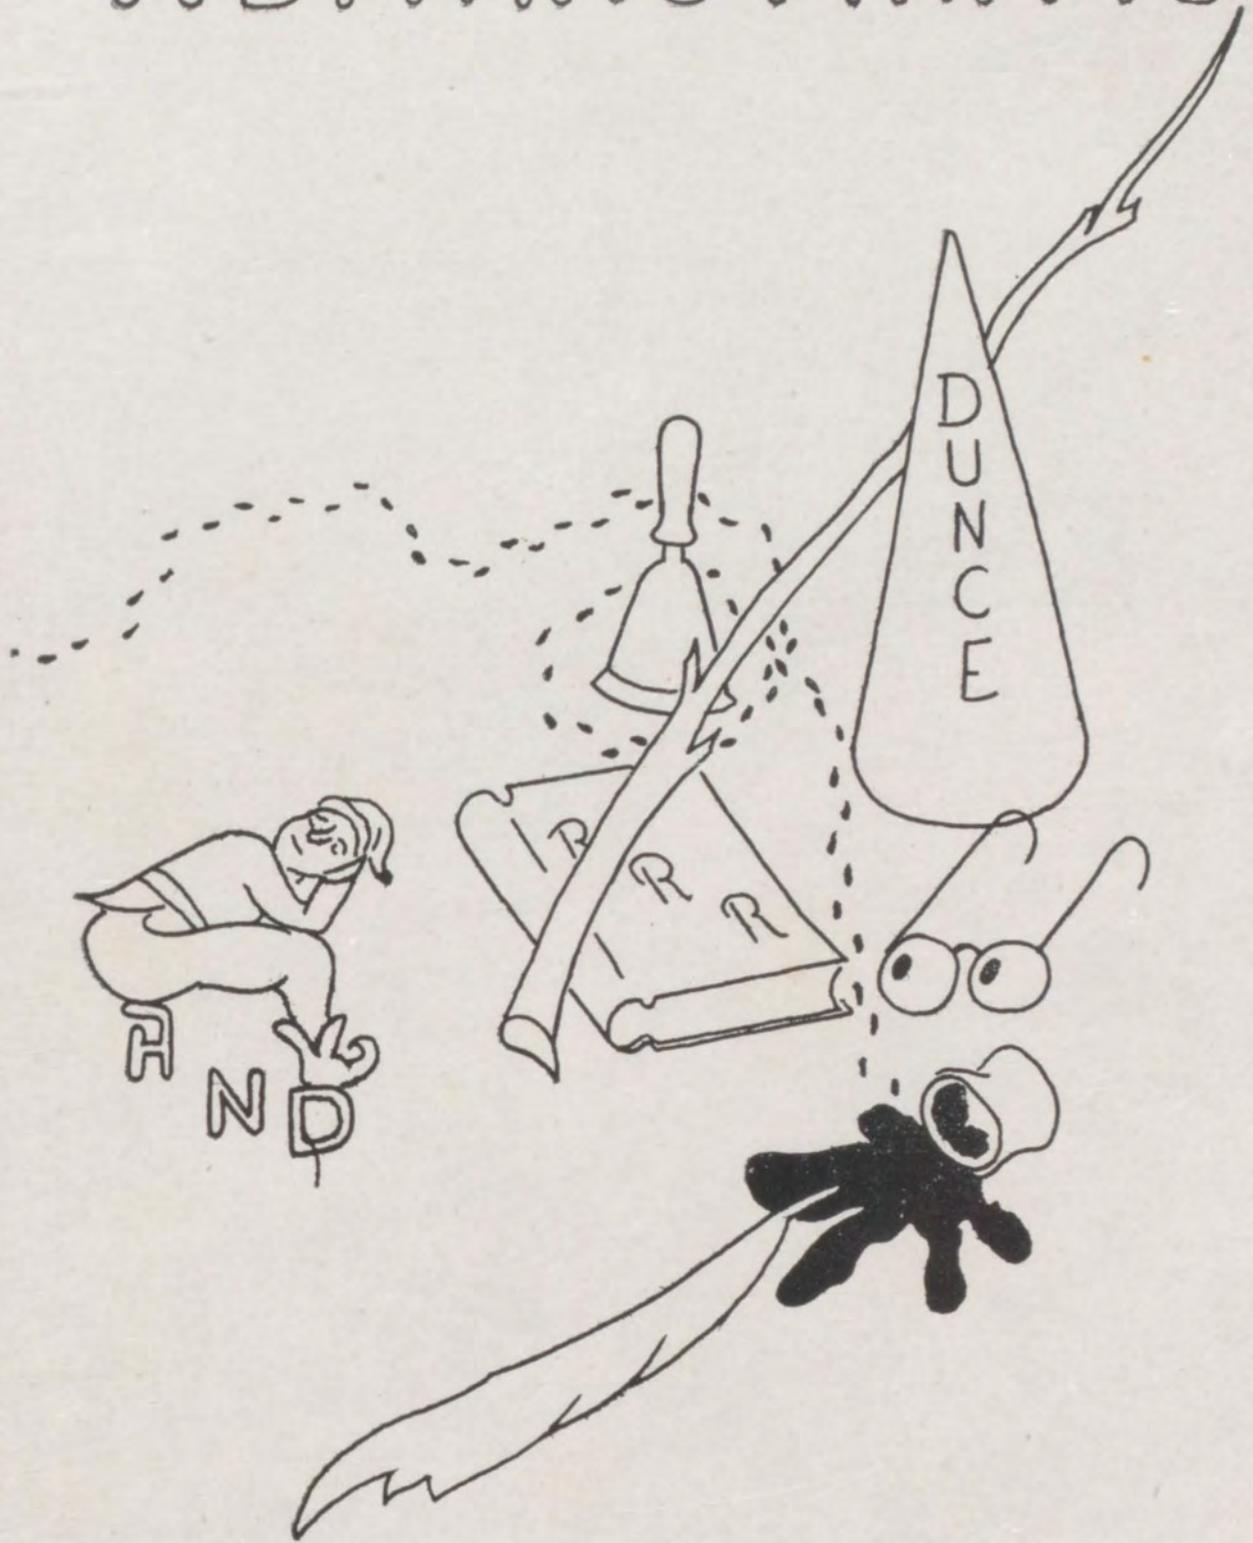

—The Sagittarius Staff

We Dedicate

We dedicate this Sagittarius to the memory of the men and women, alumni of Tell City High School, who gave their lives during World War II.

It is our hope that we will be as faithful as they were to the ideals and principles of our country, and that we may serve her as well in peace as they did in war.

ADMINISTRATION

FACULTY

School Board

The School Board, consisting of three men of high ability in whom the public has complete confidence, is one of the governing bodies of the Tell City Public Schools. Before any final action is taken for the betterment of our high school, it must be approved by the School Board. With the combined efforts of the School Board, Mr. Dixon, and Mr. Lee, the school is continuing its climb to meet higher educational standards. Some of the important duties include the selection and dismissal of the faculty, maintenance of the buildings, and making provisions for financial support and expenditures.

Superintendent

Mr. Dixon has been teaching school here in Tell City for twenty-six years. He was coach for two years, then served as principal for six years. At the end of this term, Mr. Dixon will serve his tenth year as Superintendent. He is now Secretary of the Pocket Superintendents Association.

Since Superintendent Dixon has been here, many improvements have been made. Parts of the high school building have been remodeled, and new equipment has been acquired. From the year 1936 our school has been a member of the North Central Association which requires very high standards.

The high school, under his authority, is continually moving forward; we all acknowledge his competence as a leader and executive. We owe him unbounded praise and gratitude for helping to make our school one to be sincerely proud of in every way.

Secretary

Jean Wetzel, Mr. Dixon's Secretary, is our school's "Information Please." If we can't find something we need, or if we want information we usually ask Jean. She always has a smile and an answer.

She does an excellent job in whatever work she participates. She keeps the financial records of our school in excellent condition. Jean deserves more credit than is given her, so as this term draws to its close, we wish to say,—“Thanks, Jean!”

OUR PRINCIPAL

Mr. Lee has been around for a long time — twenty eight years to be exact. This year he will complete his tenth year as principal. Before becoming principal Mr. Lee was commercial teacher. However, he has taught every subject except science and language.

Mr. Lee received his A. B. degree at Central Normal College at Danville, Indiana, he then completed a year of graduate work at Indiana University and earned his Masters Degree.

Student discipline is Mr. Lee's biggest job, as he sees to it that the school's rules are obeyed. He arranges interesting and educational convocations such as lectures, the one man show of "Macbeth", the demonstration on ceramics, and movies. Our principal keeps the school running smoothly and efficiently.

Our Faculty

To our teachers we want to express our appreciation for their patience and guidance during our four years in high school. They have prepared us to approach the open door of opportunity that lies ahead of us, and to go through that door to learn the greater truths of life itself.

All things must have a beginning and an ending. In the beginning, our faculty has given us a sound education, confidence in ourselves, and a knowledge of right and wrong. We realize that from now on, our decisions and the use of our knowledge will determine the outcome of opportunities that will come our way. The faculty has done their part and now it is up to each of us; we can forget what we have learned and fail in our future lives, or we can climb higher to successes of unclaimed heights.

Class History

Four short years ago in September of 1945, 108 green freshmen walked into Tell City High School to claim it for a mother of education for the next four years. The first thing that faced us was selecting our subjects for the coming school year. Some of us had, in our minds, already decided what career we wanted to follow, so we chose the subjects that would help us in this field of work. We entered this school so we could learn to become better citizens and not parasites on the people of the world, as we were to be the citizens of tomorrow.

Our freshman days brought many ups and downs. We made many mistakes, but we tried very hard to correct them. At our first class meeting we elected our class officers and sponsors. We chose for president, Jim Bruggenschmidt; vice-president, Linwell Butler; and secretary and treasurer, Kenneth Rohl. Miss Wilson and Mr. Osborne were our sponsors. To everyone's sorrow our freshman picnic was rained out.

This was the first step in our long journey which lay ahead of us. Those of us which were determined to reach the top had now got a foothold on what was to come in later years. The year had not been all too pleasant as we suffered torture both in mind and in body from the hands of our upper classmen.

After our freshman year was over and every one had a very pleasant summer we were ready to start our second year of school with added problems and greater tasks to face and conquer. We started on our sophomore year with 98 students, 10 less than we had in our freshman year. We found out we could reach our goal by hard work, so we set out again to accomplish it. Our foothold was a lot stronger and our minds a lot clearer. Our tasks were longer and our responsibilities were greater for we now realized what a great part education plays in the world. To make our sailing more smooth we elected Robert Litherland as president and Maurice Goble as vice-president; Joe Eddy Leisner was elected as secretary and treasurer. Mrs. Werner and Mr. Hollen were elected to guide us through our second year of school. We had more privileges during our second year of school at dear old T.C.H.S., but were still looking forward to the time when we would be upper classmen. At the end of this school year we acquired more knowledge and experience in the ever-changing world in which we live. Remember that time waits for no one, so we must all keep up with the times.

The summer passed very quickly and school time was here once more. We entered this school year with much more interest than ever before, because we were upper classmen. With this honor went more responsibilities and hard work. We entered this year with only 80 students, 18 less than we had the previous year. The work that faced us was harder and a lot more of it. More of us had decided whether we were going to college or not. This meant that the ones who were would have to take subjects that would help them most. At the beginning of our junior year we elected Robert Litherland president, Joe Eddy Leisner, vice-president, and Carl Seibert, secretary and treasurer. Our sponsors were Miss Hamilton and Mr. Sprinkle. During this year Miss Hamilton resigned and Miss Ahlf took her place.

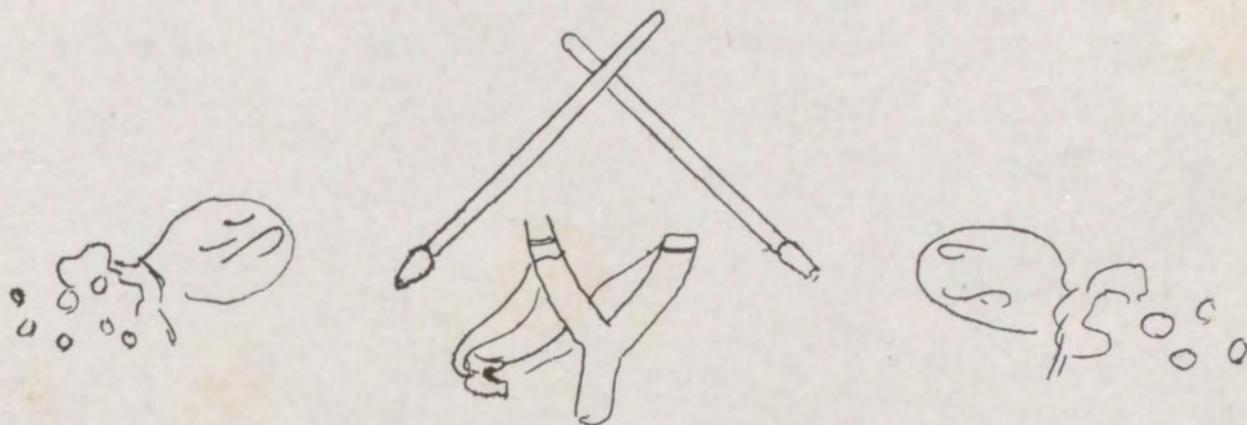

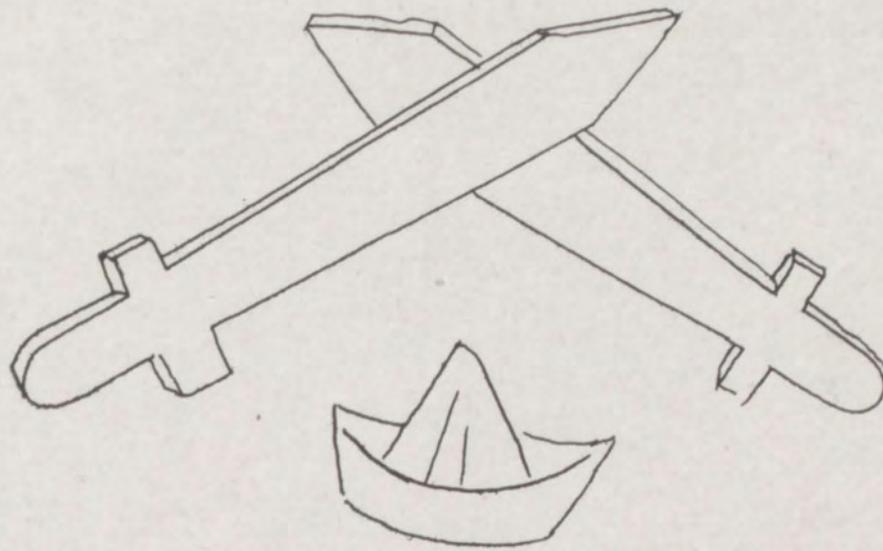

The thing that thrilled us most was the ordering of our class rings, which was of a new type and our class sweaters. The boys voted for the class jackets and the girls voted for sweaters. This was the first time in a good many years that class jackets were to be seen around T.C.H.S.

In the course of this year we gave a Sadie Hawkins Dance and a music contest to raise money for our class expenses. These events were successful and enjoyed by all.

The next important event we had coming was the Junior Senior Prom. This was made a gala affair and the good times will long be remembered by all. This entertainment was given in the high school auditorium where a delicious lunch was served before the dance. Our Junior year was drawing to a close and the last thing we did was to have our class picnic. For this we all journeyed to Lincoln State Park and had a most enjoyable time — Boating, hiking and picnicking.

We, as Seniors, are now at the head of our fleet, because those ahead of us have already taken their places in this big world. This being our last and final year, our number has decreased to 75 hard working seniors. After sailing successfully for three years, once more we docked our ship

Juniors

The eighty-eight members of the Junior Class elected officers on September 21; Charles Northerner was chosen president, Charles Geene, vice-president, and Bill Feix, secretary-treasurer. Student Council members were Tony Fischer, Wilma Hauser, and Carol Maurer. Miss Ahlf and Mr. Jines were chosen sponsors for the class.

During October, the class rings and sweaters were ordered. The boys chose reversible jackets of red with Tell City written across the back. The girls' sweaters were both of red and of white; the year 1950 was incorporated into the emblem on the left side. The rings were traditional rectangular shape with TC on the crown.

The Juniors sponsored the first dance of the year after the Mt. Vernon football game on October 15; a dance after the Lynnville basketball game; and a Sadie Hawkins dance after the Cannelton basketball game on November 24. All were very successful.

On January 14 the Junior class sponsored a Carnival, and a basketball game between the Teachers and the Students. The Carnival was a gala affair featuring a Popularity Contest in which a king and a queen were crowned, a fortune booth, a spook house, side shows, bake sale, kissing booth, a doll house, and many other interesting events. This was one of the highlights of the year. A party was held on February 8 for the class and all those who helped with the Carnival. The Teachers were victorious in the basketball game.

On April 29 an Amateur Hour was sponsored by the class. Grade and high school students and adults competed for prizes, and door prizes were awarded.

The Junior-Senior Prom was held at the K. of C. Home in Tell City on May 14. Decorations were in the class colors of silver and crimson and blue and white. Herbie Hutchinson's Rythm-airs furnished the dancing music.

Sophomores

The Sophomores, also having eighty-eight members elected Betty Stinnett, president, Charles Harpenau, vice-president, and Carolyn Boger, secretary-treasurer. Gene Peter and Jack Evrard were chosen to serve on the Student Council. Mr. Sprinkle and Miss Edwards were class sponsors.

The class has as its motto: "Forever Onward". The flower is a red rose and class colors are cream and crimson.

The first Basketball Queen to be crowned in TCHS, Joyce Kramer, was honored during the half time ceremonies of the Bosse-Tell City game on February 16. This was the result of a contest sponsored by the Sophomore Class. The class held a class picnic in the spring.

Freshmen

A large class of Freshmen, one hundred and nineteen students, was enrolled for this year. On September 21 they elected officers and class sponsors. Earl Malone served as president; Joe Paulin was vice-president; Ronald Birchler acted as secretary-treasurer; Joe Spencer was the Student Council representative. Miss Royal and Mr. Hollen were chosen to be class sponsors.

The class sponsored no activities to raise money this year but collected dues from the members.

to select our officers for our last and final year as high school students. Robert Litherland, having served as president two years was again elected, with Pat Jarboe as vice-president and Carl Seibert as secretary and treasurer. As our guides we elected Miss Black and Mr. Thrasher, who have guided many senior classes through their ups and downs.

As we advanced we needed more money. A magazine campaign, an eversharp selling drive, a theatre ticket campaign, and several other activities gave us the money we needed. Pat Thomas headed the annual staff and publication of the second edition of the Sagittarius was accomplished.

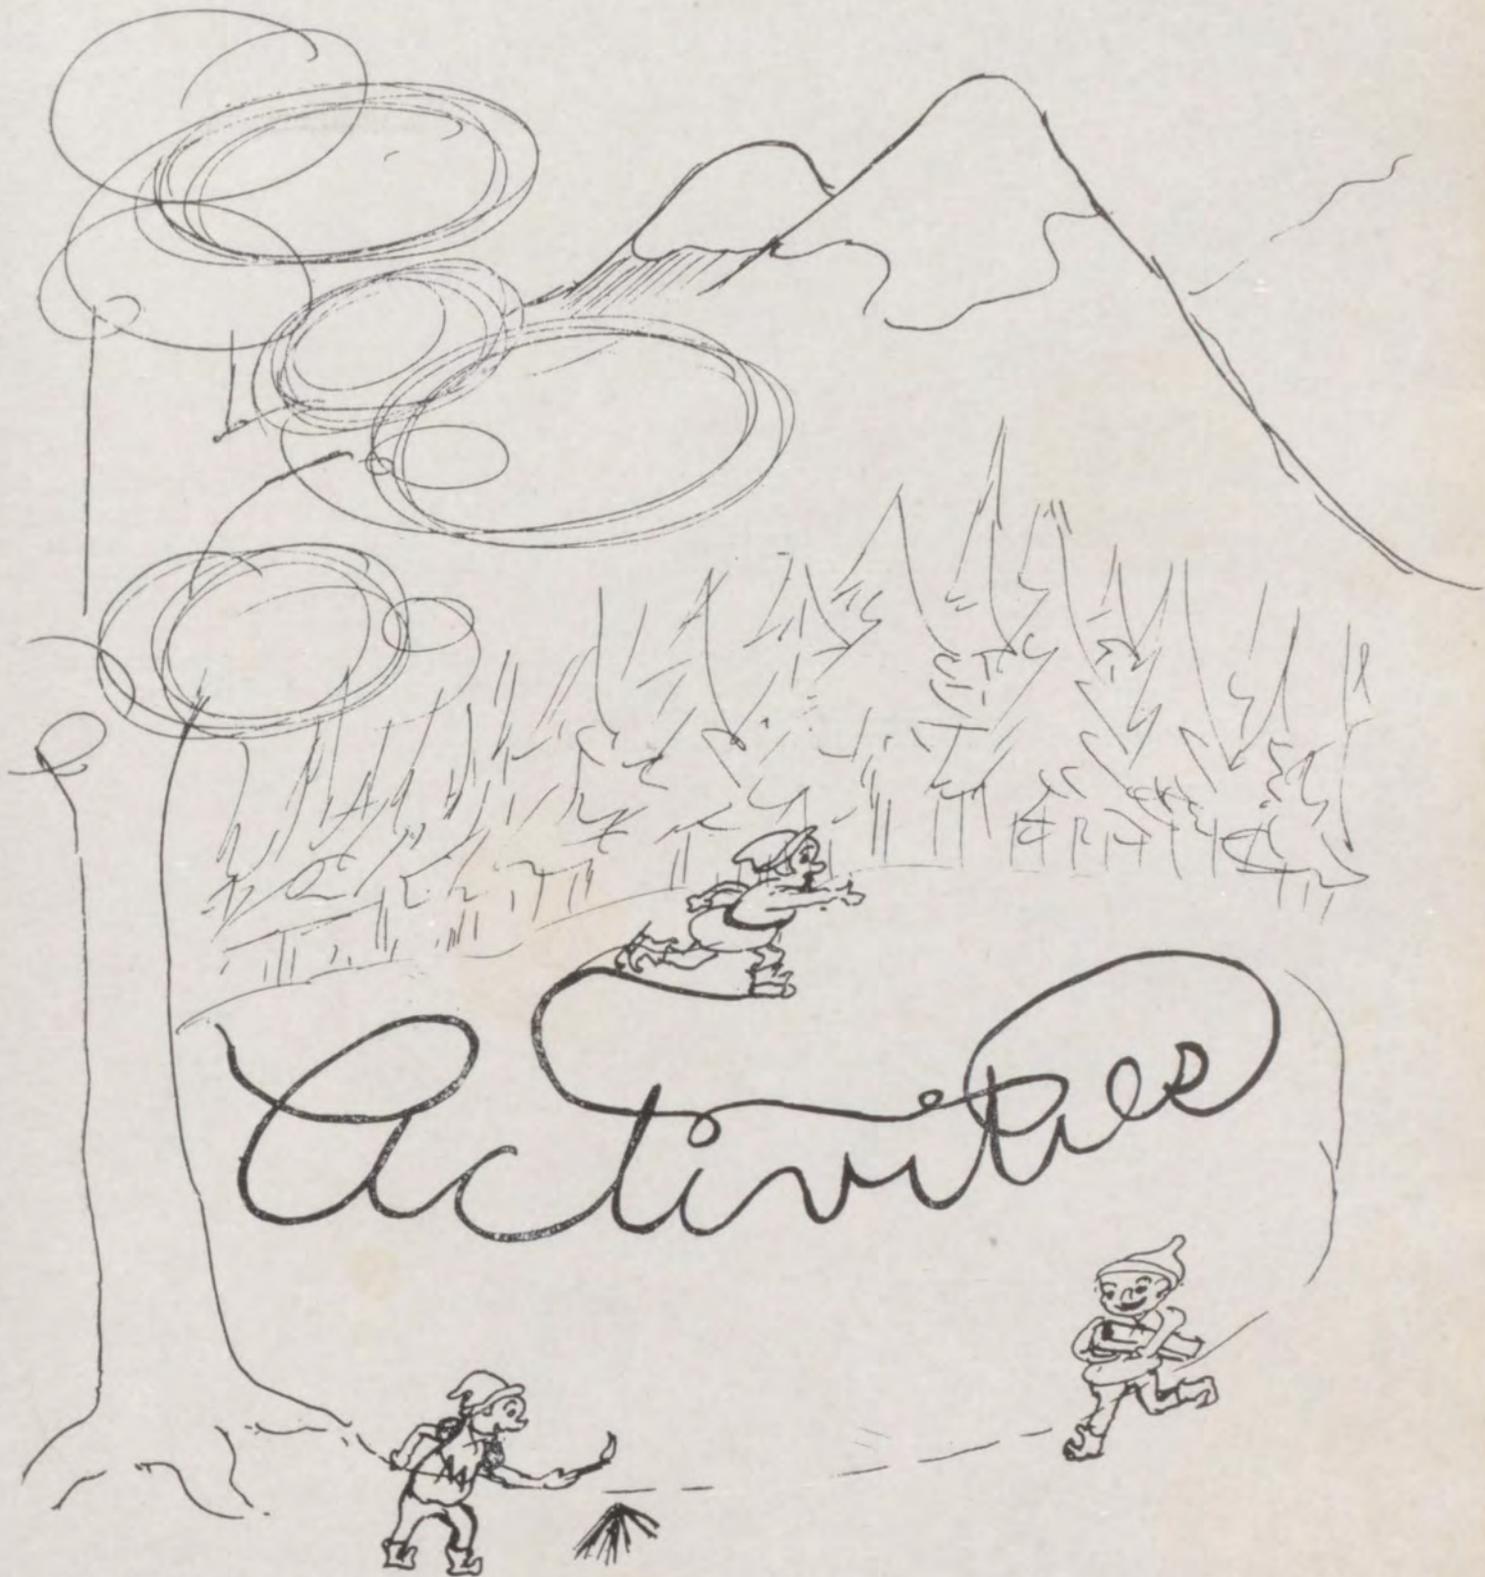

We chose blue and white for our class colors. "Find a Way or Make One" as our class motto, and the red rose as our class flower. Our class is the first of T.C.H.S. to have white caps and gowns with blue tassels.

Land is coming into sight as our journey is almost complete. We do not realize that when we get off our ship the going will be very tough. Then, and only then, we will know what our education really means to us.

On May 13 the seniors put on their annual play entitled, Betty Mason, Detective. Baccalaureate was on May 22, Class Night on May 25, which was a gay affair, with the class presenting a program entitled "Holiday In Hawaii," a very colorful and entertaining program. This program was followed by a dance featuring Dixie Davis and his orchestra.

Betty Paulin won the honor of being valedictorian. For our commencement exercises, Dr. Louis W. Gishler delivered the address.

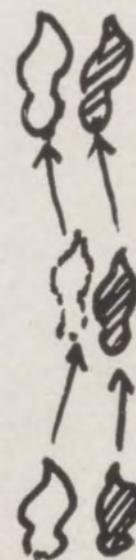

Our high school days are soon over. What fate lies in store for us now—only time will tell. To our underclassmen we say, "Work hard and never give up, and you will reach that goal that so many other good students already reached." That goal as Seniors.

On May 22, 1948 the Juniors presented the Senior Class of 1948 with a prom, and a buffet supper. The dance was held in the Tell City High School Gymnasium, which was decorated in spring pastel flowers and a canopy of pastel crepe paper streamers. A flowered arch and flower covered walls marked the entrance to the dance floor. Dixie Davis' band furnished the music. The lunch was served in the Band Room.

Pat Thomas was in charge of the Buffet Supper and Invitations. Mary Francis was chairman of the decorating committee. Betty Miles, June Bunner, Maxine May, Georgia Lee Schriefer, Pat Peter, Bob Scheiber, Jim Bruggenschmidt, Pat Jarboe, Marion Ress, James Gatchel, Bob Litherland, John Gatchel, and Norman Poehlein served on committees.

Sadie Hawkins Dances

The Juniors sponsored a Sadie Hawkins dance for the High School students after the Cannelton game on November 24th, in the Study Hall.

The girls especially liked these dances as it gave them a chance to ask the boys to go, instead of waiting for the boys to ask them.

The Freshman class sponsored a Sadie Hawkins dance on February 11th, in the Study Hall after the Petersburg game. Mrs. Petry played the piano, while Roy Schauberger played the drums. This dance was a great success, and a large crowd attended.

The Seniors sponsored a record dance after the Corydon game in the Study Hall. This was one of the most successful dances of the year — a large crowd and lots of fun.

These five girls were nominated by the student body and the Queen was elected at a pep session.

The Queen and her attendants were carried onto the field in a convertible car and were then escorted across the field to the cream and crimson throne by the Tell City High School Band who sponsored the program. The Queen was presented with a crown and a kiss; then serenaded by the band and entertained by unique marching maneuvers.

Growing up within him is an inner rebellion which comes to a head and appears on the stage in the form of a character known as the Inner Willy, visible to the real Willy and the audience, but not to the other characters on the stage.

Betty Mason—Detective

Betty Mason—Detective, a three act comedy-mystery by James C. Parker, was presented by the Senior Class on May 14. This was a royalty play of the National Drama Society.

Betty Mason wants to become a detective and begins a correspondence course. In an effort to dissuade her, Grandmother invites two ex-convicts and a hypnotist to the house for the weekend and sets up a little plot. The cook and the gardener are also plotting to rob the family jewels. The guests have just arrived when the jewels disappear, and the doctor pronounces Second Story McGarrity dead of poisoning the next morning. The Junior class sponsored a carnival for the public Friday, January 14th. One of the main events was a Popularity Contest. The students nominated and voted for the ones they wanted to be king and queen. The girl with the highest number of votes was Mary Frances Frieler, and the runner-up was Laretta Beumel. The boy with the highest number of votes was Tony Fischer. The other boys that were nominated were: Pat Jarboe, Bill Feix, Bob Scheiber, Eddie Seibert, Earl Malone, Ralph Paulin, Dale Scott, Gary Starkey, Alfred Wetzel and Ronnie Birchler. The other girls that were nominated were: Joyce Hemmingway, Sharronan Heitkemper, Adrienne Kreth, Marian Young, Marietta Klueh, Joyce Kramer, and Delores Pavey.

The king and queen's thrones were decorated in red and white crepe paper. The crowns they wore were of gold.

Mary Frances Frieler received a corsage of red and white roses. Tony Fischer received a pair of leather gloves.

Tell City High School Band '48-'49

The T.C.H.S. band this year, under the direction of Paul Silke, elected their officers for the year. They were as follows: Pat Peter, Band Captain; Norman Van Winkle, Band Treasurer; Bob Scheiber, Senior Council Member; Wilma Hauser, Junior Council Member; Gary Starkey, Sophomore Council Member; Joe Paulin, Freshman Council Member.

The Band performed at every football game and Mr. Silke found out he had a much better band than he had realized. They were invited to Evansville to perform at the Evansville College-Western Kentucky football game before a crowd of 15,000 people. Many compliments were received for their splendid performance.

From members of the band an organization was formed called the Pep Band. Its purposes was to play at the basketball games. The members were the best in each section of the band.

When the Basketball season came to an end, the Band started drilling for the Contest to be held at Washington April 2, 1949. The Tell City Bands have never lost a District Contest since Mr. Paul Silke has taken over, and this band hadn't any intention of doing otherwise.

After weeks of drilling, the Band left for Washington and to no one's surprise, carried off top honors. They received 1st Division in both Marching and Playing. The State Contest will be held April

30, 1949. As this Annual goes to press before the State contest it will be unable to give results of the contest.

The Band gave three concerts this year. The Majorettes in the band this year are Georgia Lee Schriefer, Joyce Kramer and Betty Stinnett. The Flag Throwers are Jane Schaefer and Carolyn Boger. These girls should be complimented on their fine job.

The Drum Major this year was Alfred Batie. This was his first year as Drum Major. He is to be complimented on his splendid job, because it was difficult and important.

After the District Contest was over, the band gave its third Concert of the year. Playing before a large crowd, they showed the audience why they had won first divisions at the contest.

The Seniors in the Band were the leaders who helped the younger members of the band along. They were as follows: Patty Peter, who served five years in the band, was Captain and played the Clarinet. Norman Van Winkle, who served six years in the band, was Treasurer, and played the Clarinet and Saxophone. Bob Scheiber who served five years in the band, was the Senior Student Council Member and played a Clarinet. Helen Peter, who served five years in the band playing a Saxophone. Betty Paulin serving four years in the band played a Flute. Carl Saunders, who played in the band six years, played a Clarinet. Linwell Butler, served six years in the band, and played a Cornet. Joan Sabelhaus, served three years and played a Bassoon. Hilary Gramelspacher, served four years and played a Baritone. Georgia Lee Schriefer, who served three years and played the Alto Clarinet, besides twirling in the Marching Band. Clarence Gaesser served two years and played the Drums.

All in all the Band enjoyed one of its finest years. It did more than probably was expected of it. So we wish the School Spirit would tell Mr. Silke not to be so glum next year. After all, our success depended upon him and we do appreciate everything he has done for us.

Georgia Lee Schriefer received the Booster Club Band Award for 1949 for displaying the best mental attitude, most cooperative spirit, and good sportsmanship.

G. A. A.

The G.A.A. of Tell City High School elected this year as president, Verlee Zoll; vice-president, Mary Lee Mitchell; secretary, Patty Kress; treasurer, Maxine Mueller.

There were twelve girls initiated into G.A.A. this fall. The girls who had acquired more points received G.A.A. sweaters in April. Points are acquired through participation in sports and activities.

These girls participate in sports such as volley ball, basketball, and hit-pin baseball. They have charge of the concession stands selling soft drinks and other refreshments to patrons of the Marksmen during the team's home football and basketball games. They ushered for the two plays given by the high school dramatics class.

On December 7, 1948, the G. A. A. girls started decorating the halls of Tell City High School for the Christmas Season. The halls on the second floor were decked in red and green crepe paper, with bells hung on each teacher's door. The halls on the first floor were also decorated in red and green crepe paper with silver tinsel, and of course, a large Christmas Tree holding place of honor in the center.

On December 16, 1948, the G.A.A. held their annual Christmas Party at the Tell City High School. In the spring, they made their annual outing to Lincoln State Park in Lincoln City, Indiana.

Future Business Leaders of America

During the year 1948-1949, the F.B.L.A. sponsored two commercial movies and had as guest speaker at a meeting, Mr. Charles Werner, who spoke on retail selling. The F.B.L.A. also worked to further students' interest in business establishments of Tell City and to award those students of outstanding ability in the business field.

Officers for the year were Pat Thomas, president; Lucille Evrard, vice-president; Pat Peter, secretary; and Helen Peter, treasurer. Mr. Edwin Cassidy was the sponsor of the group.

Home Ec. Managers

These girls are chosen, because of outstanding ability, to assist Miss Royal in the Home Economics Department. Each girl is in charge of a group of girls whom she supervises in the various activities. The manager demonstrates techniques and helps the students with problems. They have done an excellent job.

LIBRARIANS

The librarians' job was to keep the books in order and to check the books coming in and going out. As usual, the librarians did a fine job of keeping things in order. The students who served as librarians are: left to right, seated—Clara Sabelhaus, Jesse Ramsey, Marjorie Huthsteiner, Betty Hudson, Nancy Ford, Jean Montgomery, and Kay Wetzel. Standing are: Beula Malone, Eula Malone, Anna Jeffers, Lucille Evrard, Walter Lambert, Delores Toothman, Opal Mae Falls, Betty Chapple, Verlee Zoll and Betty Miles. Jim Bruggenschmidt also served. Miss Cook was in charge of these librarians.

OFFICE GIRLS

The girls who worked in the office this year are: left to right—Doris Ann Harpenau, Helen Peter, Pat Peter, Georgia L. Schriefer, Mary Pfeifer and Lucille Evrard. These girls performed the routine office jobs that are so necessary for a well-run school. Besides being a great help to Mr. Lee, seated in the picture, they gained valuable experience in this type of work.

PROJECTION CREW

These two boys, John Goffinet and James Johnson, were responsible for operating the motion picture projector. Whenever we had a movie they were there taking care of the machine.

STUDENT COUNCIL

This group of students is elected by the various classes to help solve some of the many problems around school. Two students, Wilma Hauser, Junior representative, and Joe Spencer, Freshman representative, were absent when the picture was taken.

Shown in the picture are, seated: Gene Peters, Sophomore; Marion Ress, Senior; Tom Schaefer, Senior; Ralph Paulin, Senior.

Standing: Tony Fischer, Junior; John Goffinet, Junior; Jackie Evrard, Sophomore; Preston Richards, Senior; and Carol Maurer, Junior.

Sagittarius Staff

At left, The Editors: seated—Lucille Evrard, Pat Peter, and Pat Thomas, Ed. in Chief; standing: Jim Bruggenschmidt, Marion Ress, Pat Jarboe, and Carl Seibert.

The annual staff should be complimented on the very fine job that they have accomplished. Pat Thomas was Editor; Pat Peter, Pat Jarboe, Carl Seibert, Lucille Evrard, Jim Bruggenschmidt, and Marion Ress, were associate editors. The advertising committee was composed of the following students: Clarence Gaesser, Donal Kuster, Ralph Paulin, and Carroll Hearst. The sports: Dewey Hammack, and Jim Beard. The class will was written by Tom Schaefer, Helen Peter, and Marjorie Holman. Dedication and Foreword: Betty Paulin, Laverne Paulin, and Rose Ann Goetz. These boys have formed a Camera Club. One member, Keith White, was absent when the picture was made.

Pep Club and Cheerleaders

This enthusiastic group of students worked this year to provide a strong cheering section for the basketball and football teams. Pep Club pins were sold to members as identification to sit in a reserved section at games. The Club held pep sessions before every game to encourage louder and peppier yells from the student body and urge the team on to victory. Victory sessions were held when we wanted to show how glad we were to win, and defeat or "sob" sessions proved we were proud of our team even though they lost a game occasionally. They also printed a booklet of the school yells and songs.

The club was aided by the Tell City Booster Club, a group of adults organized to boost the school and its activities. They encouraged adult attendance at games, both at home and away; made awards in the three major sports, band and general citizenship; helped police crowds at football games; and, in many ways, helped boost the school spirit.

Tony Fischer was elected president of the Pep Club and Sharron Heitkemper, vice-president. Rev. Ralph Knapper is president of the Booster Club. The cheerleaders and these groups brought a great improvement in sportsmanship on the part of the spectators.

The motto for the season was "We'll Take Them As They Come."

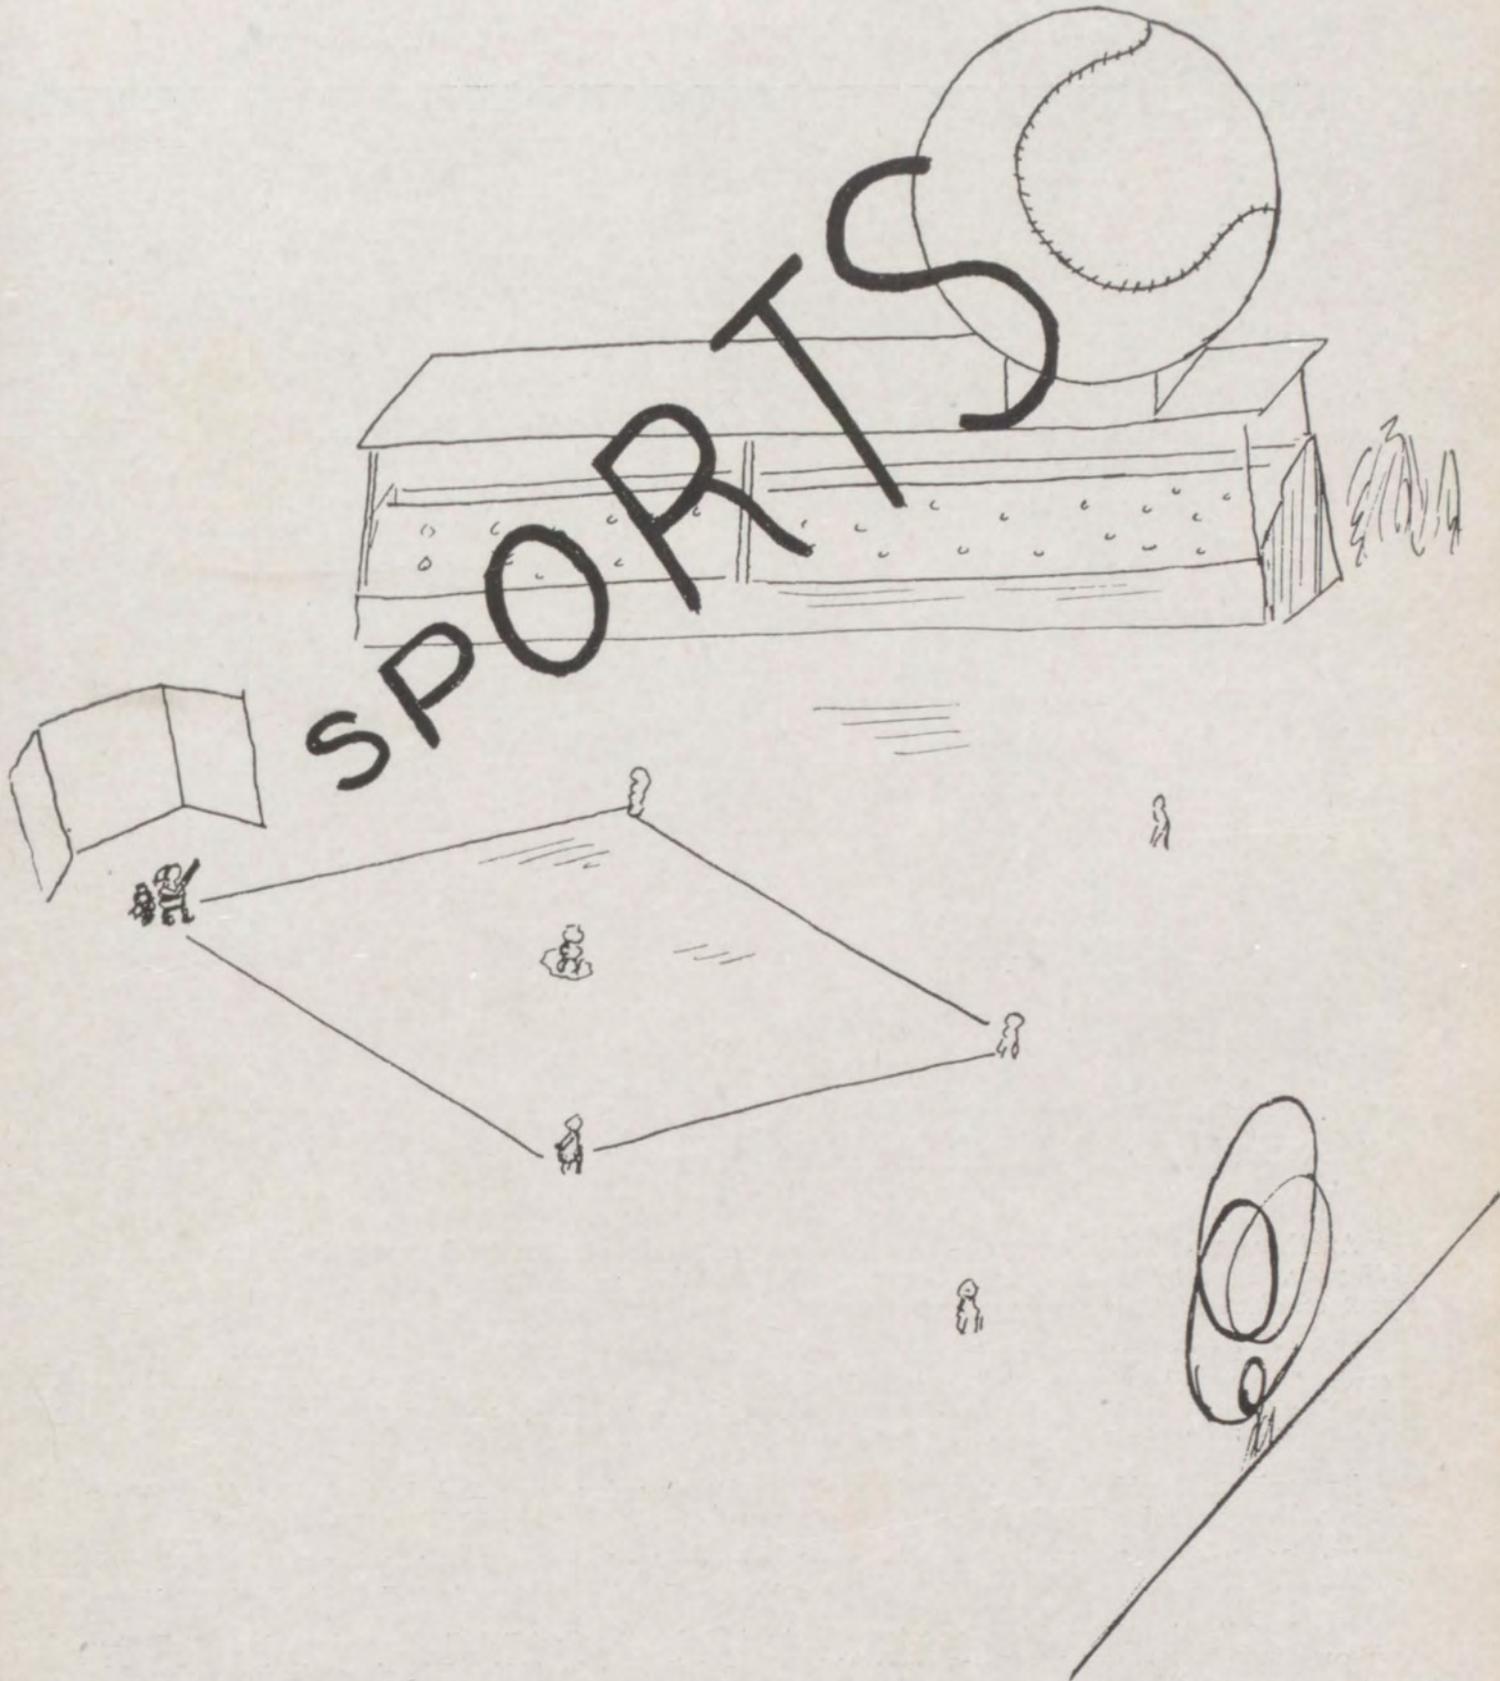

Cheerleaders for the 1948-49 season were three Juniors and a Senior. The Freshman yell leaders yelled at the sectional Tourney with the varsity leaders. This was the first year of yell leading in high school for all of them. They revived some old yells and originated a few new ones. The new yelling outfits made quite a showing at the Sectional.

Eula and Beula Malone, Linwell Butler, and Gary Starkey are the varsity yell team. Freshman leaders are Mary Frances Frieler, Earl Malone, and Joyce Kramer.

These students are responsible for one of the finest cheering sections in T. C. H. S. history.

SPORTS

Football

Another great Tell City football team completed a highly successful season in football for the 1948 year. Led by Coach Ivan Hollen, and Assistant Coach Jack Jines, the Marksmen won 7 games, lost 2, and tied 1. This tie came at the end of the season with Cannelton Bulldogs.

The team was composed of 12 seniors who were greatly responsible for Tell City's successful record. The seniors were as follows: Carl Seibert, Jim Beard, Francis (Spud) Kleeman, Bob Schneider, Tom Schaefer, Ralph Paulin, Preston Richards, August Claise, Bob Litherland, Jim (Tiger) Bruggenschmidt, "Juny" Gaesser, and Dale Scott.

Recognition should also be shown to such outstanding players as Jack Evrard, Don Alvey, Tony Fischer, Eugene Smith, Eddie Seibert, Bob Freeman, Tom Pannett and Richard Bledsoe.

The Marksmen also boasted a fine Freshman squad, who won the majority of their games. With the proper encouragement and training, these boys will write chapters in Tell City's football history.

Coach Hollen is still working for a team that will bring the first P.A.C. Championship to Tell City. Tell City has not captured a Conference title since it began in 1938. We sincerely hope that Mr. Hollen will reach his goal in 1949.

Basketball

First Ten: Bill Feix, Charles Northener, Alan Lechner, Charles Geene, Pat Jarboe, Donal Kuster, Marion Ress, Dale Scott, Burke Scott, and Donald Alvey.

Dale Scott was awarded the 1949 Booster Club Basketball Award for good sportsmanship, best mental attitude, and most cooperative spirit.

From the smallest hamlet to the largest cities, thousands of boys play the game of basketball each year. In this game are thrills, excitement, joy, and yes—even heartaches. Could there be any wonder, then, why basketball doors have the largest paid admission in the United States and Canada of any game in our great field of sports?

The basketball team, of T.C.H.S. of '48-'49 has been considered by many as one of the finest teams in its history.

Some of the best teams of Southern Indiana were included on the Marksmen schedule for this season. A most decisive victory in the Holiday Tourney at Evansville, which included Central, Reitz, Tell City, and Princeton was one of the many accomplishments of this year's Marksmen.

One of the finest coaches in the State of Indiana, Coach Ivan Hollen, guided these boys to nineteen victories in a twenty game schedule, during the regular season: Dale Scott, Pat Jarboe, Donal Lee Kuster, and Marion Ress, seniors, Bill Feix, Charles Geene, Charles Northener, and Donald Alvey, Juniors, Burke Scott and Allen Lechner, Sophomores, made up the varsity squad.

Although Tell City was defeated by a hard fighting Dale team in the Sectional, their season record will stand for many years.

Top Row: Burke Scott, Pat Jarbøe, Marion Ress, Ray Gramelspacher, Walter Baur, Charles Mills.

Track

Track, a new sport for Tell City High, has arrived this spring under the supervision of Mr. Ivan Hollen. The twenty-three boys who answered the call for this sport will have many chances to make the team because of the nine different events. There will be no meets at home this year because of the lack of facilities. The first meet of the season was at Petersburg on April 6. Tell City was third in this meet, Petersburg being first and Princeton second.

Boys on the team are shown in the picture at left.

First Row: Jervis Kast, Marion Mills, Bob Freeman, Tony Fischer, and Don Alvey.

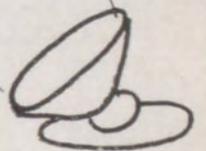

Second Row: Jerry Powers, Jim Labhart, Sewell Connor, Leo Richey, Earl Lauer, Charles Schreiber, Jack Evrard, Joe Paulin, Eugene Smith.

Third Row: Floyd Fillmore, Donald Froehlich, Don Kuster, Jim Jordan, Alan Lechner, Christie Geneglbach, Bill Labhart, John Gatchel, Jim Hagedorn, and Coach Ivan Hollen.

Most of these boys are Underclassmen, this means that, in two or three years, TCHS will have a good track representation.
