

Dreamers Discovery Time Schedule

Week One:

The Rainbow Fish by Marcus Pfister

As we begin our Discovery Time journey together, we will start with the story of Rainbow Fish and follow him on his many journeys . We will create many waves during this week and will learn our new 5 Little Fishes Rhyme!

Week Two:

Rainbow Fish to the Rescue by Marcus Pfister

This story is all about helping those in need and the power of sharing. To create more of an underwater experience we will be experimenting with some fun bubble activities!

Week Three:

Trick-or-Treat Pout Pout Fish by Deborah Diesen

During this Discovery Time we will create our own Pout Pout pumpkins and participate in our Story-and-Treat Walk throughout the library.

Week Four:

Rainbow Fish and the Big Blue Whale by Marcus Pfister

This story is centered on creating new friends and not being quick to judge others. We will further the story with a felt board activity centered around Rainbow Fish's new friend the big blue whale!

****Continued on Back**

Week Five:

Rainbow Fish and the Sea Monster's Cave by Marcus Pfister

On this adventure, we journey to Sea Monster's Cave where Rainbow Fish meets the five-eyed globe fish. This story will be followed by a light board activity that also teaches how colors mix!

Week Six:

Hooray for Thanksgiving! by Aimée Chapman

Week before Thanksgiving! Join us for this Discovery Time as we celebrate Thanksgiving. This Discovery Time will allow you to play with our new harvest sensory bin as well as create your own handprint turkey.

Week Seven:

Rainbow Fish Finds His Way by Marcus Pfister

Rainbow Fish needs help as he becomes caught in a storm! Come hear what happens to Rainbow Fish and join us for our floating catch activity. This game encourages your little one's hand-eye coordination.

Week Eight:

Rainbow Fish Discovers the Deep Sea

During this Discovery Time we will explore the strangeness of being in the deep sea by digging for objects that we cannot see. Join us as we find new shapes and discoveries hidden in our covered box.

Week Nine:

Goodnight Little Rainbow Fish by Marcus Pfister

As we wrap up our Discovery Time, we will have learned the important of friendship and sharing. We will use our scarves again to teach the importance of object permanence (objects continue to exist even when they cannot be seen, touched, etc.) to our little ones.
